

CORN CROP OF 1913 IS MOST VALUABLE EVER GROWN IN U.S.

Crop, as Estimated, at
70.7 Cents per Bushel, is
Worth \$1,741,353,019

ESTIMATE INCREASED

November Estimate of Produc-
tion Increases by 90,000,000
Bushels October Estimate

SMALLEST CROP SINCE 1903

WASHINGTON, Nov. 10.—This year's corn crop promises to be the most valuable this or any other nation ever has produced, although the department of agriculture's preliminary estimate of production, issued today indicates it will be more than half a billion bushels less in size than the crop of last year and the smallest since 1903. Based on the department's figures of 70.7 cents per bushel, the average farm value on Nov. 1, the crop as now estimated is worth \$1,741,353,019, while the value of the 1912 record crop was \$1,520,454,000. The previous most valuable crop was that of 1909, when it was worth \$1,612,822,000.

Estimate Increased.
The department's preliminary estimate of production today increased by 90,000,000 bushels the estimate made in September. This was taken to indicate that the damage from the very severe drought in the middle-west was somewhat over estimated. The department's final estimate of production next month may show further increase in the size of the crop. The greatest damage from the drought is indicated in the figures for Kansas which show the acre yield there to have been reduced to 3.2 bushels compared with 23 bushels last year, in Missouri where the yield was 17.5 bushels compared with last year's 32 bushels and in Oklahoma where it was 11 bushels against 18.7 last year. In Illinois the yield was 13 bushels below last year's yield; in Iowa 9 bushels; in Nebraska 9 bushels; Missouri 14.5; Indiana 7.9; and Ohio 9.2 bushels.

Issue Preliminary Estimate.
More definite information as to the size of the country's corn crop, which throughout the growing season suffered from severe drought, was given today when the crop reporting board of the United States department of agriculture issued its preliminary estimate of the nation's total production in the November crop report. Heretofore the estimate of the corn crop have been based upon condition reports. The November report, made up from reports of agents and correspondents of the department's bureau of statistics and issued at 2:15 p. m., announced also the preliminary estimate of the total production of buckwheat, potatoes, sweet potatoes, flaxseed and tobacco; the yield per acre of each; the average farm price on November 1 of the country's principal crops, and the amount of corn of the 1912 crop remaining on farms November 1.

Details of Report.
CORN.—Total production, preliminarily estimated, 2,463,017,000, compared with 3,124,746,000 bushels last year.

Yield per acre, 23.0 bushels, compared with 29.2 bushels last year, and 27.0 bushels, the 10-year average. Average farm price, 70.7 per bushel, compared with 58.4 cents last year. Quality, 95.8 per cent compared with the 10-year average. Corn of 1912 crop remaining on farms November 1 was 137,972,000 bushels, compared with 64,764,000 bushels of the 1911 crop remaining on farms November 1, last year.

BUCKWHEAT.—Total production, preliminarily estimated, 14,455,000 bushels, compared with 19,249,000 bushels last year. Yield per acre, 17.2 bushels, compared with 22.9 bushels last year, and 19.8 bushels, the 10-year average yield. Average farm price, 75.5 cents per bushel, compared with 65.5 cents last year. Quality, 95.5 per cent of the 10-year average.

POTATOES.—Total production, preliminarily estimated, 228,550,000 bushels, compared with 429,647,000 bushels last year. Yield per acre, 89.2 bushels, compared with 113.4 bushels last year, and 96.0 bushels, the 10-year average yield. Average farm price, 69.6 cents per bushel, compared with 45.5 cents last year. Quality, 99.3 per cent, compared with the 10-year average.

SWEET POTATOES.—Total production, preliminarily estimated, 55,760,000 bushels, compared with 55,479,000 bushels last year. Yield per acre, 95.0 bushels, compared with 95.2 bushels last year and 91.9 bushels, the 10-year average yield. Quality, 99.4 per cent of the 10-year average.

FLAXSEED.—Total production, preliminarily estimated, 19,234,000 bushels, compared with 28,073,000 bushels last year.

WILSON MAY LIFT BAN ON EXPORTATION OF ARMS

PRESIDENT IS GIVING THIS QUESTION
SERIOUS CONSIDERATION

Developments in Mexican Situation
Tend to Emphasize Purpose of
Government to Refuse to Recognize
Any of the Acts of the New
Mexican Congress.

WASHINGTON, Nov. 10.—Developments in the Mexican situation here today tend to emphasize a purpose on the part of the Washington government to refuse to recognize any of the acts of the new Mexican congress and brought to light the fact that serious consideration was being given by President Wilson to the question of permitting exportations of arms to all factions in the southern republic.

Bryan Confers With Algora.
Secretary Bryan had a long conference with Senator Algora, charge d'affaires of the Mexican embassy, during which it is understood he said the United States considered the election of congressmen equally as invalid as the voting for president and vice-president. The secretary summoned the ministers from five Central American countries and outlined to them in general what had been done by the United States in its negotiations with the Huerta government. Later he announced that he also had been in communication with the diplomatic representatives of the European powers and had informed them in general terms of the steps taken by the United States thus far.

It was reported that some of these diplomats today transmitted long dispatches to their home governments describing the situation as approaching closer to a complete break in relations between the United States and Mexico than at any time since the Mexican problem became troublesome.

The state department made public Huerta's statement to the diplomatic corps in Mexico City at midnight last Saturday the burden of which was that the presidential election would be declared null and void but that the newly elected members of congress would soon be installed; that the national legislature would soon resume the legislative powers which General Huerta had seen fit to assume during the interim between the arrest of the deputies for sedition and the election of the new members of congress.

Note is Taken as a Reply.
In view of the fact that the note recited in detail, Huerta's defense of his assumption of legislative authority and his arrest of deputies and gave also his program for the future, it was taken by many diplomats as an obvious reply to the American suggestion that he eliminate himself. The Mexican embassy here, which received a copy of the note, declared in an official statement that "it has assumed that the dispatches received represent the attitude of President Huerta and indicate the nature of his reply to the inquiry of the government of the United States regarding his purposes in view of the recent presidential elections."

White House officials called attention to what seemed to them an inconsistency in the Huerta note wherein it assumed as valid the election of congressmen which were held simultaneously with the voting for president and vice-president to be declared by Huerta null and void.

The purpose of the United States neither to recognize Huerta's right to continue in power nor the acts of the new congress is the essence of what has been communicated to the foreign diplomats by this government.

Future steps have not been specifically outlined. In fact, it is understood that while the policy of the government has been to keep foreign nations continuously informed it has made no direct effort to secure the support of the powers to the American program. There is no secret, however, of the desire of the United States for the acquiescence of the powers in its policy. Refusal to recognize the acts of the new congress which can grant concessions or ratify loan agreements, would be calculated, American officials said, to further weaken the resources of the Huerta government.

Armed Considerable Interest.
The trip to the Arizona border of William Bayard Hale, on previous occasions a personal representative of President Wilson in Mexico, and the wide discussion of the question of raising the embargo has aroused considerable interest.

Secretary Bryan when questioned about Mr. Hale's status said today: "Mr. Hale is in Tucson, Ariz. He was unwilling to be pressed further."

Mr. Hale for several months has been studying the Mexican question and his visit to the border is thought to be one of the official ways by which the Washington government hopes to get information about the strength and purposes of the constitutional movement and perhaps the efficacy of resigning the embargo on arms.

Mr. Bryan denied incidentally that any negotiations were being conducted with the constitutionalists by the United States government.

The question of exporting arms to Mexico has raised the point in official circles of whether the president by executive authority could let down the bars or whether action by congress would be necessary.

Many persons have suggested to the president that a repeal of the joint resolution will be necessary if the United States finally decided to grant arms on an equality to the disputants. Those who had discussed

DEADLOCKS SENATE BANKING COMMITTEE

Decision to Throw Currency Bill
Into Conference of Senate Demo-
crats Blocks Progress

UNABLE TO GET TO WORK

Senate Banking Committee Makes Two In-
effective Attempts to Get Down to
Work After Administration Decision

REPUBLICANS MAY PREPARE BILL

WASHINGTON, Nov. 10.—The administration decision to throw the pending currency bill into a conference of senate Democrats resulted in an outburst on the floor of the senate today and a do-nothing session of the deadlocked senate banking committee.

Senator Hitchcock of Nebraska, who has voted "anti-administration" throughout the committee's deliberations, declared on the floor that he would not change his convictions, "even to meet the views of the president of the United States," and that he would not enter a caucus that would prevent his voting his convictions.

Senator Reed of Missouri declared that the time had not yet come to give up hope for an agreement in the committee and urged that non-partisan deliberations in the committee continue. He declared his willingness to abide by the caucus, however, if one was found necessary.

Unable to Get to Work.

The committee made two ineffectual attempts to get down to work today. In the morning after waiting an hour for Chairman Owen, Senator Pomeroy and Senator Reed, the committee adjourned at the request of the administration supporters to allow time for Democratic caucus. When the committee met again after the senate adjourned, Senator Owen had departed for New York and the other administration senators did not attend. The committee then adjourned until tomorrow.

In conference today the Republicans determined to await the decision of the Democrats. If the latter go to work on the bill in conference, the Republicans will prepare a bill to be submitted directly to the senate. It will be based on the administration bill but will include the various amendments already adopted by the committee which the president has declined to accept. Senator Kern, Democratic leader, explained during the debate on the floor that the proposed conference would not be a binding caucus and that it was expected that the Democrats would meet simply "to talk over the currency" question. It was stated also that the president understood that the conference did not propose to make the currency bill a party measure. Another attempt will be made tomorrow to get the committee together for consideration of the bill but little success is expected from the effort.

SPENCER SHOWS COMPLETE CONTEMPT FOR COURT RULE

Confessed Murderer of Dancing
Teacher Makes Repeated Out-
breaks on First Day of His Trial.

Chicago, Nov. 10.—Henry Spencer, confessed murderer of Mrs. Mildred Allison-Rexroat, a dancing teacher, displayed complete contempt of court today during the first day of his trial today. He ended a day of repeated outbreaks with an attack on Judge Slusher, before whom he is being tried.

"Say judge, why don't you keep awake here?" he cried. "Why don't you pay attention to what is going on? What are you trying to do, railroad me? You don't know half the time what is going on here. Why don't you stay awake and keep your eyes open."

Four jurors had been accepted when Spencer was removed and court adjourned. Spencer repeatedly interrupted the question of veniremen with demands that he be hanged. "Cut out the red tape," he called. "Just get twelve men to hang me. Just go outside and build a scaffold for me and string me up. If you fellows don't want to hang me get out of here."

When State's Attorney Hadley questioned a venireman about insanity plea the prisoner broke in again: "I'm not crazy," he screamed, "and don't you tell them I am either."

Spencer is being tried at Wheaton, Ill., the county seat of DuPage county, where Mrs. Rexroat was murdered. The state's attorney declared that owing to the publicity given the case he feared it would take more than a week to get a jury.

ed the arms question with the president in last few days say he seems to be open minded on that point while a month ago he was firmly set against it.

Secretary Daniels said tonight that the president had told him there were not likely to be developments in the Mexican situation that would interfere with the secretary's proposed trip to the middle-west next week.

FORMER REFORMATORY PHYSICIAN ON TRIAL

HEARING OF DR. JAMES A. MARSHALL
OPENS IN PONTIAC

Inmates Testify as to Cruelty
Which They Claim the Doctor Used
in Making Examinations of
New Prisoners—Physician is Said
to Have Refused to Aid Inmate
Suffering With Locomotor Ataxia.

PONTIAC, Ill., Nov. 10.—The hearing of Dr. James A. Marshall, who was suspended as physician of the Illinois State Reformatory several weeks ago, was opened this afternoon by President Burdette of the state civil commission. Two inmates testified this afternoon.

Albert Schwark was called by Attorney Burke. Schwark was sentenced from Geneseo, Ill., on a charge of larceny. He is 19 years old and works in the library at the reformatory. He is about four feet tall and weighs but 100 pounds. He is afflicted with curvature of the spine. Schwark said that on the second time he was in the institution while being physically examined by Dr. Marshall, he was struck with a closed fist. He was then ordered to disrobe and struck several times in the face and on other parts of the body with a "squeegee" causing painful injuries. He said he was questioned by Dr. Marshall and while he was answering the queries he was called "liar," "pup," "Whelp" and was struck in the face with the fist by Dr. Marshall.

The boy's veracity was questioned and on being asked if he would lie now as he had done when being tried for larceny, so that his sentence would be lightened, he replied that he would not lie now for he had been recommended last August for discharge very soon.

Recognizes Rubber "Squeegee."
Attorney Burke displayed a piece of rubber ten inches long, one and one-half inches wide and about a quarter inch thick. This Schwark recognized as the rubber "squeegee" with which he was beaten.

Guy Eugene Scott, 17 years old, sentenced from Englewood, Ill., on a charge of larceny, was the other witness. He is 18 years old and is six feet three inches. He served time in the St. Charles school at St. Charles and is now in the woodwork department.

Scott is also deformed with locomotor ataxia which causes him to stand in a stooped position unless he has on high heeled shoes. While before Dr. Marshall for physical examination he was disrobed and consequently could not stand erect, he testified. When ordered to do so by Dr. Marshall he said he was unable to do so. Thereupon he was called a liar and struck in the face by Dr. Marshall, he said. He then explained to Marshall why he was unable to stand erect and asked the doctor to recommend high heeled shoes for him. The doctor refused.

Scott then carved wooden blocks and nailed them on his shoes. These he was later ordered to remove. He stood this as long as possible and again went to Dr. Marshall, stating his case but could get no satisfaction from the doctor, he said. Scott said that he repeated his efforts for treatment of his disease several times but was refused each time. He then made wooden blocks and placed them inside of his shoes so they would not be noticed. He did not succeed in procuring high heeled shoes properly made until recently.

This closed the investigation until 8:30 tomorrow morning.

The committee is composed of James Burdette, Chicago, president; Dr. A. B. Culhane of Rockford and William B. Moulton of Chicago.

A. B. Garrett, assistant attorney general of Illinois, is assisting Dan B. Burke as attorney for the committee.

KILLS SON AND SUICIDES

Richmond, Ky., Nov. 10.—Mrs. Benjamin L. Banks, one of most prominent women of Kentucky shot and instantly killed her own child, a boy aged 12 years, then killed herself at her home in this city today. The tragedy followed the receipt of news announcing the sudden death from pneumonia of her husband in Adair county, where he had been visiting his parents.

FILES LIST OF ASSETS.

Chicago, Nov. 10.—An itemized list of the assets and liabilities of the O'Gara Coal company, now in the hands of T. J. O'Gara and Fred A. Busse as receivers was filed in the United States district court here today. The liabilities totalled \$5,363,433 and the assets, \$12,260,032.

WEATHER INDICATIONS AND TEMPERATURES.

Washington, Nov. 10.—For Illinois: Fair Tuesday; Wednesday, fair, warmer, moderate variable winds becoming southeast.					
Temperatures.					
Chicago, Nov. 10.—Current, maximum and minimum temperatures today were:					
Boston	44	54	48		
Buffalo	26	32	32		
New York	36	44	32

Winnipeg	24	26	6		

MANY BELIEVED DEAD IN TERRIFIC GALES

Dozen Staunch Freighters Are
Driven Ashore, One Capsizes
and Many Seek Shelter

ONE IS FOUND BOTTOM UP

Vesselmen Express Belief That Crew of
Forty of Unidentified 600 Foot Steel
Freighter Has Perished

MAY REACH ENDANGERED SHIPS TODAY

DETROIT, Nov. 10.—While no lives are known to have been lost in the terrific gales which have swept the great lakes since last Saturday night there seemed little doubt tonight that many sailors have perished. A dozen or more staunch freighters have been driven ashore, one steamer capsized in the tremendous seas and scores of other craft have been driven to shelter in widely scattered harbors. Probably the worst of the disasters is the loss of an unidentified freighter which was found bottom up in Lake Huron late this afternoon. The ship apparently was a 600 foot steel freighter, but until daylight tomorrow her name cannot be learned. There is no trace of the crew which must have numbered about forty and vesselmen tonight expressed the belief all hands had perished.

An unidentified steamer lies pounding on the rocks off Manitou Island, at the tip of Keweenaw Point, Lake Superior and the fate of her crew could not be learned despite the heroic efforts of life savers to reach her. Two other steamers names unknown are aground at Isle Royal and Copper Harbor, Lake Superior and tonight there were no means of knowing if the crews have escaped.

Passenger Steamer Huronic Ashore.

The passenger steamer Huronic is ashore in White Bay, Lake Superior but is resting easily on sandy bottom. The Canadian owned freighter Acadian with captain aboard lies aground in Thunder Bay. A Tominson liner, thought to be either the Atwell, or the James E. Davidson her decks awash is on bottom at Gross Point, Lake Superior. Her crew was on board tonight fighting desperately for their lives. Among other ships known to have gone aground but believed to have suffered no great damages were: Steamers Mathew Andrews and Hargood, at Wees Beach on the Canadian shore opposite Port Huron, wooden steamer Harlow, Peche Island, Detroit river; Steamer Victory Livingston channel, lower Detroit river, Steamer W. G. Pollock, St. Clair ship canal.

In addition to these a number of boats are missing and while they have not been sighted for more than 36 hours, hopes are entertained they may be sheltered in remote harbors along the shores of the upper lakes. Reports from all ports tonight reported a cessation in the wind and waves and it is believed most of the endangered ships can be reached tomorrow.

Believes All On Board Are Lost.

Port Huron, Mich., Nov. 10.—A large steel freighter, overturned, was found floating in Lake Huron late today, about 8 miles northeast of Port Huron. Captain Held of the wrecking crew which located her arrived here tonight and said her name had not been learned when he left the scene. It is believed she was abandoned during the terrific gale which swept the lake yesterday. Captain Held said that he believed the steamer to be a six hundred footer and that she had carried a crew of about 40 men.

"I have no doubt," he said, "that every soul on board has been lost." The wreck lies in the path of steamers navigating Lake Huron and Captain Held said his tug would stand by all night to warn passing vessels of the danger. No attempt he said would be made to go along the vessel until daylight. The water where the wreck lies is about sixty feet deep. The stern is submerged while the bottom of the forward part of the ship projects above the surface.

Captain Reid returned to the scene of the discovery with a wrecking tug tonight. He did not know whether it would be possible to tow the wreck to the local harbor.

Crew is in Danger.

Calumet, Mich., Nov. 10.—In the face of a fifty mile gale, shelling from northeast to northwest on Lake Superior tonight, fear is expressed for the safety of the crew, numbering about twenty-eight men aboard a steamer stranded on Gull Rock off Manitou Island at the extreme end of Keweenaw Point. The life saving crew at Eagle Harbor is trying to make a run for the wreck tonight. The life savers, after a three hour battle with the heavy seas, a stiff wind on shore and a blowing snowstorm, were baffled today. They were sighted Saturday afternoon shortly after it went on the reef by the Steamer B. Stephenson. The Stephenson could see the crew aboard the craft but could not reach the wreck and gave up the attempt after a struggle of six hours in the heavy seas. The Stephenson then came on Bete Gris, requiring twelve hours to make the distance of twelve miles and reported the wreck. According to reports which have reached here

FIRE MARSHAL BEGINS PROBE OF FIRE "TRAPS"

MANY OF STATE'S BUILDINGS ARE
SAID TO BE UNSAFE

Report Has it That Many Jails, Alms-
Houses and Charitable Institutions
Are Unsafe as Places of Habitation—Some of the State Normal
Schools Said to Be Included.

SPRINGFIELD, Ill., Nov. 10.—The report that many of the jails, alms-houses and charitable institutions of the state are veritable fire "traps" and unsafe as places of habitation, is responsible for an investigation which has been commenced by the state fire marshal's department. The probe is sanctioned by Governor Dunne, much of the information in the hands of the state fire marshal having been furnished by the state board of administration.

Many of the alms-houses, city prisons and county jails have no fire protection and not equipped with fire escapes, although in such buildings and in many inmates are housed on the second and third floors and loss of life in case of fire would likely result.

Some of the state normal schools are said to be included in the category of unsafe buildings, as are also a number of older buildings at some of the state charitable institutions, although in the last year or so most of these buildings have been provided with fire escapes and adequate fire protection facilities.

Under the attorney general's interpretation of the law there is a question whether the state fire marshal can do anything further than have fines assessed against owners of buildings who fail to comply with the law, but nevertheless the investigation will be carried forward and every effort made to compel the custodians of unsafe buildings to place them in a safe condition.

ACTION WILL DEPEND ON WHAT IS FOUND IN PACKAGE

Governor Has Package Alleged to
Contain Official Questions of Denial
Board Which Are Declared to
Be Different From Ones Purchased.

Springfield, Ill., Nov. 10.—Action to be taken against one or more officials and employees of the state dental board as the result of alleged sale of questions to be used in the examination today will depend upon what is found to be the contents of a package which now rests upon the governor's desk at the state house in this city. The package, according to the declaration of Dr. Peter Diamond, a member of the dental board, contains the official questions, and an examination will show that they are not the same as the list which a reporter for the Chicago Tribune declares he purchased for \$50.

Following the receipt in this city of the package containing the official list of questions, Governor Dunne wired Diamond that the same would be opened in the executive office at 10 o'clock tomorrow morning. At the same time the governor informed Dr. Diamond and the Chicago Tribune that each would be allowed to have a representative present.

YOUTHFUL BANDIT CONFESSES.

Kansas City, Mo., Nov. 10.—Harry Davis, one of a trio of youthful bandits that held up and killed Al Hatch, a wealthy saloonkeeper in October, 1912, unexpectedly pleaded guilty today. He was sentenced to ninety-nine years in the penitentiary.

His companions already have been tried and convicted and one of them is serving a life sentence.

PRISONER HIRED BY WIFE.

Janeville, Wis., Nov. 10.—Edward Arneson, a tailor sentenced today to one year at labor under a new state law was hired by his wife who made the complaint against him and he will work for her for a year. The sheriff will draw Arneson's wages and pay them to Mrs. Arneson.

SPARKS FROM THE WIRES

NEW YORK, Nov. 10.—Willie Ritchie, light-weight champion of the world tonight defeated Leach Cross of this city in a ten round bout which went the limit.

MEXICO, Mo., Nov. 10.—Rex McDonald, champion saddle stallion of the world died here today. The horse was 23 years old and said to be worth \$10,000. The body will be mounted and preserved.

CHICAGO, Nov. 10.—Timothy J. O'Connor, former chief clerk of the Illinois industrial home for the blind in this city was arrested today charged with embezzling \$1,000 from the home.

CHICAGO, Nov. 10.—Samuel Sappas, a non-union negro janitor was murdered today in the basement of the building in which he was employed. Two negroes who carried cards in the janitor's organization were arrested.

WASHINGTON, Nov. 10.—Establishment in Washington of a federal university was advocated by Edmund J. James, president of the University of Illinois and president of the national association of state universities at the eighteenth annual meeting of the association here today.

EASTERN WAGE WAR FINALLY SETTLED

Conductors and Trainmen of
Eastern Railroads Granted
About Half Increase Demanded

BOARD FAVORS RAILROADS

In Reaching Award the Board Rules Mainly
Against the Employes In Four Out of
Five Points Submitted by Them

AWARD OF COMMISSION IS BINDING

NEW YORK, Nov. 10.—The long lived controversy between railroads of the east and their conductors and trainmen over the latter's demands for more pay ended tonight. The employes are granted an increase in wages averaging 7 per cent and totalling \$6,000,000 annually—about half of what they wanted—from October 1st, last, effective for one year. One hundred thousand men will share in the increase.

These ends by arbitration under the Newlands amendment to the Erdman act, a controversy that threatened at one time to tie-up by strike the transportation facilities of all states east of the Mississippi river and north of the Ohio. The award of the arbitration commission filed late this afternoon in the federal district court is binding and final. The two board representatives of the employes filed a minority report in addition and the two representatives of the forty-one railroads a dissenting opinion. In reaching its award board ruled mainly against the employes on four out of five points submitted as reasons why the increase should be granted and found for them the fifth—the increased cost of living. Since 1909 when last an increase was granted the arbitrators found the cost of living has increased seven percent. Certain minor contents embraced also were given the employes.

"The board does not find its action entirely upon the high cost of living," the award reads "through it looks upon this as basic."

Without attempting to standardize the rates of pay between railroad employes of the east and the west, the board asserts its belief that it is desirable but not possible at the present time. As to this the award voices the opinion that congress should make an inquiry as to whether there is any longer a substantial reason for the maintenance of a wage difference between the two sections.

Analysis of the vote on each article submitted by the trainmen reveals an almost unbroken coalition between the two representatives of the employes and the two independent members of the board with the railroad representatives opposing them. The articles are dealt with separately and fix the pay for various classifications of labor. While technical, they provide chiefly that the monthly pay of employes in the passenger branch of the service shall be: conductors, \$125; baggage men, \$82.50; flagmen and rear brakemen, \$78; brakemen, \$76.50; overtime per hour, conductors, 45 cents; assistant conductors and ticket collectors, 35.7 cents; baggage men, 25.7 cents; flagmen and rear brakemen, 26 cents; brakemen, 25.5 cents.

For the freight service the chief awards are: through runs, conductors, 4 cents a mile; flagmen, 3 cents a mile; brakemen, 2.67 cents a mile less than 100 miles to be paid for same as 100 miles. In way freight, pickup or mine and roustabout service minimum conductors awarded \$3.50 for one hundred miles; flagmen, \$3.10 and brakemen, \$2.90; overtime to be paid as time and one half.

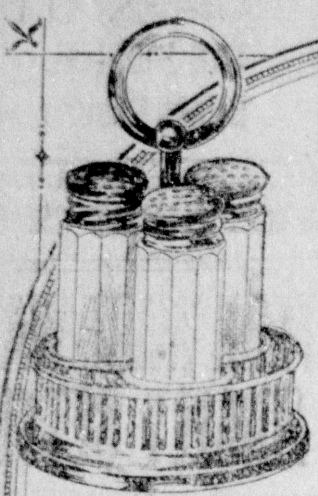

Employes Win Point.
This was one of few instances in which the employes triumphed in their demand that overtime be paid for at one and one half the regular rate. The award is distinctly against such practice in most instances. This finding the employes representatives filed a minority report of protest. To the entire finding the railroads representatives dissented.

Of vital importance to the employes is the finding that present schedules of pay are not to be changed or disturbed in any way where they exceed the amounts named. Nor are employes to be curtailed either in mileage or hours of labor to offset the increases granted.

Referring to the claim of the railroad companies that unless permitted to increase rates they could not afford an increase of pay for employes, the board says: "The interstate commerce commission and not this arbitration has the duty of determining whether the railroads can earn in addition to their other charges, without an increase in rates, the rates of pay that this board believes at the present time to be due to the conductors and trainmen."

However, the board calls the attention of the interstate commerce commission to the decrease of hazard that follows the installation of steel cars, double tracking and improved signals.

TO REACH JURY TODAY.
Chicago, Nov. 10.—The cases of Attorney Donahoe and Detective Isaac Stiefel, charged with conspiracy to defame Clarence S. Funk, former general manager of the International Harvester company, is expected to reach the jury tomorrow afternoon.

Tableware That You Will Always be Proud of

When you purchase sterling silver tableware you are investing in a ware that will last through your entire lifetime.

And then it will be given to your children and in turn to your children's children.

Each year as the silver grows in age it will increase in value for about it will be assembled the lore of your family.

It isn't necessary to buy the entire set at once. Just select a few pieces now, choosing a pattern that you can match at a later date and then you can add to it from time to time as you wish.

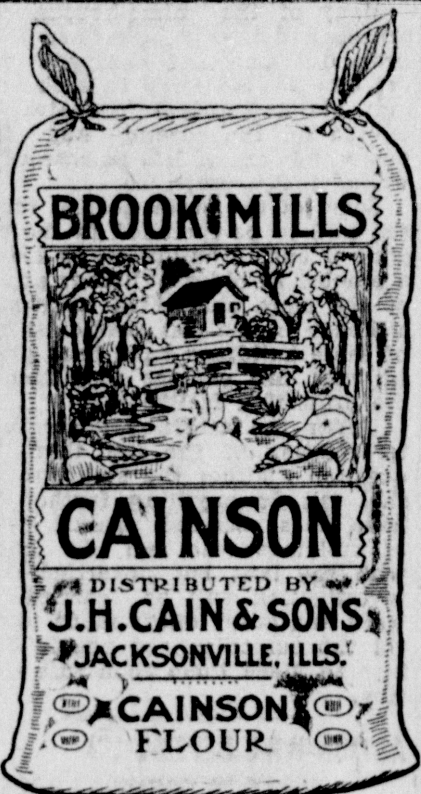

You will find a magnificent assortment of patterns from which to choose in our solid silver department and you will have no trouble in matching any of them at a later date.

Schram's

Eat More Home Made Bread And Teach Your Daughter To Make It With

"Cainson Flour"

Girls are just as anxious to learn the art of home baking as the boys are to enter Manual Training. And we know that every mother is proud of what her girls and boys can do. If you encourage your daughter to increase her skill in baking, give her a sack of "Cainson Flour" and let her have the full swing of the kitchen. In this way she'll put into practical use what she has been taught in the Domestic Science Class in school.

FIRE HORSES RUNAWAY.

Engine Team Gets Away When An Alarm Comes in at Department Sunday Evening.

When the alarm was received at the fire department Sunday evening about 7 o'clock, the fire engine team ran away just after being hitched and did not stop until it had reached the Wabash tracks on Illinois avenue. Driver Osborne was at supper when the alarm was received and Charles DeSilva was to drive the engine to the fire. Just as he climbed to the driver's seat the horses gave a lunge and at the same moment the doors were opened. In jumping one of the lines was pulled from its fastening and upon seeing that he was unable to control the horses the driver dismounted. The team ran to Illinois avenue where Engineer Howard and Howard Wamaker dismounted from the rear of the engine. The horses then went to the Wabash tracks where a freight train blocked the crossing and they stopped. No damage was done.

DO YOU KNOW HOW TO SAVE?

Make up your mind to save at least one coin every day, and you will be surprised how soon you will have money in the bank. Call at the Elliott State Bank for free coin container, which will help you to save.

NO HUNTING ALLOWED.
The following farmers have given notice that they will not allow hunting on their premises:

Elmer Nicholson.
John Souza.
Emmit Carter.
J. W. Gibbons.
Edward Deaton.
John Laurie.
James McDonald.
Austin King.

FOR COMFORT AND AN ENJOYABLE NIGHT'S SLEEP WEAR THE OUTING NIGHT ROBES SOLD BY FRANK BYRNS HAT STORE—50c UP.

SERIOUS INJURY.

Mrs. Charles Martin, residing in the Ebenezer neighborhood, fell down stairs yesterday morning and sustained severe injuries. Two ribs were broken in addition to bruises and a general shaking up. Dr. P. C. Thompson was called and gave the needed attention and at last accounts she was doing as well as could be expected.

INVITED TO WILSON WEDDING.
Dr. and Mrs. Edward Capps of Princeton university are among those who received invitations to the Sayre-Wilson marriage at the white house.

NOVEMBER TERM OF CIRCUIT COURT BEGINS

JUDGE THOMPSON ENTERED
LARGE NUMBER OF ORDERS
MONDAY.

Announced Adjournment For One Week on Account of Duties in Appellate Court—Grand Jury is Organized and Will Work Without Interruption.

The November term of the Morgan county circuit court was convened Monday by Judge Thompson and during the day a great many entries were made. The grand jury was organized by the appointment of M. H. Carroll as foreman and placed in charge of J. S. Magill as special bailiff. The jurors selected Ralph Reynolds as clerk. In the afternoon Judge Thompson adjourned court for one week as he will be engaged for a number of days in the appellate court in Mt. Vernon. The grand jury, however, will proceed with its work and if the work is finished before next Monday the jurors are to report at that time for their discharge. The following were the docket entries:

People's Cases.
People vs. E. F. Johnson, rape. Motion by defendant for continuance allowed.

Law.
People on relation of city of Jacksonville vs. W. B. Rogers, sheriff. Petition for mandamus. W. N. Hair, grove withdraws from case.

Big reductions in prices of ladies' fine tailored suits this week—we offer the ENTIRE BALANCE OF OUR STOCK OF SPLENDIDLY TAILORED SUITS, in choicest colors and latest styles at extremely liberal reductions. F. J. WADELL & CO.

FLUE BURNED OUT.
A burning flue at the residence of Charles Hopper on South Diamond street caused quite a little excitement Sunday evening. Flames shot out of the chimney quite a distance, but there was no damage done.

Where Responsibility Rules

Patrons of our store will tell you that the reliability and dependability of our stocks and service entitle us to a share of your business too. Long experience in both retail and wholesale departments have given us an intimate knowledge of what the public really wants.

That is the reason that we are today specializing in the handling of certain goods in bulk. These goods are of the highest grade and quality but by handling them according to our clean and sanitary methods in bulk we are able to give our customers perfect satisfaction and at the same time save them money. So we offer in bulk, Rolled Oats, Macaroni, Rice, Beans, Pop Corn, Tapioca, Corn Meal, Coffee, Tea, Spices, Extracts and still other goods in bulk, but guaranteed strictly pure. They come too you less the expensive packing in cartons and cans—the money saved is yours.

The Finest Nuts

We have since establishing our store carried THE VERY FINEST NUTS that have come to this market. There is a vast difference in nuts and it is our policy to offer our customers THE VERY HIGHEST QUALITY. They have especially fine flavor and sweetness and the shells are thin and crisp. This season we are duplicating the accomplishments of former years and if you will take a look in our east window you will see the very finest nuts that have been grown for this year's trade.

ALMONDS, PECANS, BLACK WALNUTS, BRAZILIANS, HICKORY NUTS, they are all there and if you see them then you'll know that the nuts shipped us have certainly been selected from vast stocks. They have not come to us mixed with stones and bark or in damp sacks. These nuts show not only that they are the best of their kind but that they have been carefully and scientifically handled, in the way to put them into the best possible market condition.

Special Bargain in Peas

We are offering AN EXTRA BARGAIN in Trio brand peas. The figure is LOWER THAN USUALLY OFFERED BY BIG JOBBERS to the trade. We have only a limited supply. If you are interested COME IN AND ASK THE PRICE and you will certainly buy.

TODAY

In the Shadow of the Mountains

Edison Two Reel Feature

A dramatic tale full of exciting incidents that command the attention from start to finish. Ruined in Wall street and rejected by his betrothed, Foster starts west for the gold regions of the Rockies. He saves an old man from a tough gang in a saloon, and in return is taken into his mining venture. Claim jumpers attack them, but are driven off after a hard fight.

Admission 5c and 10c

Wednesday, Nov. 12

FLOTSAM

Two Reel Feature

Thrilling rescue of a child—the sole survivor of a wrecked vessel—from the angry waves.

Capt. Wells and his life-guard fall to shoot a line over the ship, which is being dashed to pieces on the rocks. The passengers and crew are drowned, with the exception of Mildred, who is carried on a mountainous billow. Capt. Wells dives from the top of a cliff and saves her.

MET DEATH ON WABASH TRACKS

FARM EMPLOYEE RUN DOWN AT EDGE OF CITY.

John Pieper Meets Instant Death When Struck by Evening West Bound Passenger Train—Was Returning From Work in Country—Inquest Will Be Held Today.

John Pieper, who was returning from work on the farm of J. R. Smith, one and one-half miles east of Jacksonville, was run over and instantly killed by the 5:15 o'clock west-bound Wabash train Monday evening, at the Mauvaisterre trestle. His body was badly mangled, his right shoulder, right side and hip being badly crushed and he had a fracture on the right leg below the knee. He was also bruised about the head and other portions of the body. The train crew stopped, picked up the injured man, who was still breathing, and brought him to the Wabash station, but he expired before that place was reached. It is not known why Mr. Pieper did not hear the approaching train. From the injuries he must have been walking on the south side of the tracks. His body was thrown several feet. The train was in charge of Conductor Maley with Mr. Rodems as engineer.

Mr. Pieper was a native of Ohio, but had been a resident of Jacksonville and vicinity for a number of years. He worked for a number of people in the city at odd jobs. He was a cabinet maker back in Ohio, but did not follow his trade much in Illinois. For several months he had been employed at the C. P. & St. L. car shops in this city and at the time of his death had an employer's card of days worked during the month of October. He had been working for Mr. Smith since last Thursday. He took part of his meals in town and part with Mr. Smith. He left the Smith place about 5 o'clock and upon leaving stated that he intended coming back the same evening. For some time he had been living in a small house on Hooker street. Little is known of his life, but he was always considered an honest, hard working man and trustworthy. He had made the statement that he belonged to the Methodist church, his membership being in Ohio. He worked for some time at the residence of the late Mrs. Margaret Hennessy on Center street, whose children still reside there. He was about 50 years of age and has a daughter living in Ohio. The body was removed to the undertaking parlors of John Reynolds. An inquest will be held this morning by Coroner Wright.

MEN WHO WISH THE MOST PERFECT FITTING UNDERWEAR SHOULD WEAR MUNNINGS', SOLD BY FRANK BYRNS HAT STORE—\$1.00 PER SUIT, AND UPWARD.

MARRIED IN CHICAGO.

License Issued to Fred Goodrick and Miss Louisa Sargent.

According to a dispatch to the Journal a marriage license was issued in Chicago Monday to Fred W. Goodrick and Miss Louisa Sargent, both of Jacksonville. They are well known in the city. The groom was born and reared here and resides at 360 West College avenue. He has considerable ability as a musician but recently he had been employed by the Illinois Tailors.

FURTHER PLANS FOR HOME EXHIBITIONS

A meeting of the exhibitors of "Made in Jacksonville" was held in the rooms of the Chamber of Commerce last night. The following heads were appointed: Fred Drake, chairman; Roy Potter, advertising; E. F. Johnston, finance; J. G. Capps, music and C. B. Mossey, charge of exhibits. The heads of these various departments have power to appoint sub-committees. William Benson is studying out a uniform system of decorations and as has formerly been stated the exhibitions will be in the building formerly occupied by John Sample and Son. Merchants who made subscriptions will be given tickets that they can send out to their customers, which will give them admittance.

WITH THE SICK.

Mrs. John Lyons of East Morton avenue underwent a serious operation yesterday at one of the local hospitals.

Mrs. Mary Slack, mother of Mrs. C. N. Seymour, 332 East State street is critically ill, from the effects of a fall she sustained about two weeks ago.

Mrs. W. A. Slack, who has been seriously ill at the home of her home of her daughter, Mrs. Charles Seymour, 332 East State street, for the past several weeks, was in a critical condition last night.

COMMITTEES APPOINTED.

A meeting of Odd Fellows in the interest of the new encampment was held last night. The new organization will be instituted December 4, under the direction of Norman Waltrip, grand senior warden of White Hall and Sam J. Baker, grand scribe of Olney. The application committee appointed is, P. G. Stein, H. L. Couchman, W. H. Phillips, Joseph Ludwig and Jos. E. Roberts. The refreshments committee, C. F. Walter, J. A. Peterson and Lloyd Caywood.

ENTERTAINMENT AT MIT ZION. The young people of Mt. Zion M. E. church have been preparing for some time for an entertainment of music and literary numbers which they will present Friday Nov. 14.

JUSTICE COURTS.

Frank Taylor was fined \$10 and costs in Squire Dyer's court Monday on a charge of disorderly conduct.

SUITS RELATING TO COX ESTATE SETTLED OUT OF COURT MONDAY

Agreements Bring to An End Vast Amount of Litigation Affecting Valuable Property Holdings.

Several pending suits affecting the estate of the late William H. Cox of the Waverly neighborhood were settled Monday by agreement of parties. When W. H. Cox died several years ago he left an estate of \$150,000 consisting mainly of lands in the vicinity of Waverly. By his will he left a comparatively small amount of property to his wife Emily Cox and the balance mainly to an adopted son, Frank Thomas and to grand-children of his wife. Mrs. Cox after accepting a payment of \$1000 by the executor of J. B. Lomard, brought an action in the county court to compel the executor to pay her one third of the personal property and one third of the earnings of the realty for life. Mrs. Cox maintained that when she accepted the \$1000 payment she was not fully advised of her rights. This case was appealed by the executor to the circuit court. Subsequently Mrs. Cox brought a suit against Mrs. Emma Alderson and others, beneficiaries under the will demanding an assignment of dower. Mrs. Alderson then along with her sisters, Mrs. Julia Wood, Mrs. Bertha Peables, and Mrs. Evaline Belfort, instituted proceedings against Mrs. Cox to prevent her renunciation of the will. Meanwhile Frank Thomas, an adopted son of W. H. Cox, by his guardian, Howard Burns, began proceedings against Mrs. Alderson, et al, to contest the will. A few months after bringing the suits mentioned, Mrs. Cox died.

By the several agreements made yesterday by attorneys acting for the litigants all the suits pending were withdrawn. The attorneys interested on behalf of Mrs. Cox and Howard Burns, guardian were Bellatti, Barnes & Bellatti, W. N. Hairgrove and W. F. Wemple. Attorneys for the other litigants were Kirby, Wilson & Baldwin, Judge Layman, Worthington, Reeve & Green, E. Elter, and a Carlinville firm.

CHARITY TEA.

The ladies of the Congregational and Westminster churches will give a dime social at the home of Mrs. E. P. Kirby, 4 Duncan place, this afternoon from 3 to 6 p. m. The benefit of the charity ward of Passavant hospital. All interested in hospital are cordially invited.

URANIA LODGE WILL HOLD ANNUAL BANQUET THURSDAY.

Committees of Arrangements Have Plans Well In Hand and Promise a Program Sure To Interest Members and Their Guests.

Committees appointed by Urania Lodge No. 243 to arrange for the annual banquet which is to take place next Thursday night, Nov. 13th made reports last night which indicated that a very successful event can be anticipated. The annual banquet for several years have been very notable occasions and there is every indication that the one this week will surpass the excellent record of the past. The chairmen of the several committees are, program, C. E. Williams; banquet, Norman Kykendall; members, W. C. Howe. The program will include addresses by a number of well known speakers and the menu which is being arranged for makes it certain that important part of the program will come fully up to expectations.

MAY SUE CITY.

Judge Burns of Springfield who was here Monday to act as attorney for John Veria, Mrs. Reisch et al in the injunction suit brought by the city informed city officials that he expected to bring suit against the city on behalf of his clients for damages. The costs in the case amount to over \$400 and the city will be compelled to pay this. Damages it is understood will be asked in the sum of \$500. This is the case in which the injunction granted against Mr. Veria et al in the Morgan county circuit court was dissolved, by the remanding of the case from the appellate court.

SHIPPED CATTLE.

William Dunlap of West College street recently shipped two car loads of cattle to Chicago.

MANY BELIEVED DEAD
IN TERRIFIC GALES

(Continued from Page 1.)

by wireless three other steamers are
stranded at different points and three
craft are missing.

Fear Waldo is Wrecked.

Marquette, Wis., Nov. 10.—There
are fears here tonight that the great
gale that has lashed Lake Superior
has wrecked the Steamer Waldo. A
telephone message from Big Bay
twenty-five miles northwest of here
reports that the cabin and part of
the upper works of the Waldo have
washed ashore near that point. Noth-
ing else concerning the possible fate
of the ship is known there.

Cleveland Has Severe Storm.
Cleveland, O., Nov. 10.—The
most severe early winter storm in
many years has engulfed Cleveland
and immediate vicinity since early
Sunday afternoon, doing many thou-
sands of dollars damage. Communi-
cation with the outside world by tele-
graph and telephone, rail and water
was cut off for thirty hours.

Railroad trains were from 12 to
18 hours late. Hundreds of tele-
phone poles in the city were blown
down and street car traffic tied up.
Driven by a wind which reached a
velocity of nearly 75 miles an hour
Sunday night, the snow fell to a
depth of from five inches to five feet
in the drift. One man was killed
by being blown from the top of a
box car. Many street car passengers
had narrow escapes when poles fell
on the cars and the windows were
blown in by the wind.

Western N. Y. Emerging From Storm
Buffalo, N. Y., Western New York
is tonight emerging from one of the
most severe November snowstorms
on record. Beginning at dawn and
continuing for over eight hours, a
gale that at times reached a veloc-
ity of 74 miles an hour drove snow
and sleet into drifts that blocked
suburban electric railway lines and
badly hampered the operation of
railroad trains. One railroad wreck
occurred causing one death and the
injury of eight persons.

The storm was heaviest along the
shore of Lake Erie and through
eastbound passenger traffic was
practically at a standstill from Sun-
day night until late this afternoon.
The wreck occurred on the Erie
railroad near LeRoy. The Rev.
James A. Anderson of Nichols, Tioga
county, was killed. The injured
include Miss Katherine Timmons of
Batavia; Miss Louise and Jennie
Fugel, sister of North Java, and Mrs.
J. D. McGammon of Corning.

The direct cause of the accident
is believed to have been a broken
rail. Three cars of the train left
the rails and tipped over. Mr. An-
derson was thrown through a win-
dow. None of the injured will die.
Passenger Train Stranded.
Washington, Pa., Nov. 10.—The
passenger train of the Washington
& Annapolis railroad, a narrow
gauge line which has 100 passen-
gers including United Senator Albert
B. Cummins of Iowa, aboard, is
still stuck in snow drifts three miles
from this place. Senator Cummings
had been visiting his father at Car-
rington, Pa. The train, bound for
Washington, became snow-bound
last night and a relief train was
sent out. The engine of the relief train
jumped the track within sight of the
stranded train.

The entire party was without food
for over 24 hours. Today neigh-
boring farmers went to the aid of the
passengers and all were taken to
farm houses. Roads are impassible
in a great drifts and reports of
snow say the train will not reach
here before noon tomorrow. The
passengers were forced to shovel
snow this morning to keep from
freezing. Six young men left the
train and walked here today. They
were exhausted when they arrived
and are under the care of physicians.

Four Lose Lives in Ohio.
Columbus, O., Nov. 10.—Details of
the damage done by the blizzard
which held Ohio in its grip for more
than 24 hours yesterday and today
are slowly coming in as telephone and
telegram communications are re-
established. As far as known four
persons lost their lives and scores
are injured in the state.

Until this evening, Cleveland, San-
dusky, Youngstown, and many small-
er towns in the northwestern part
of the state have been practically
isolated since Sunday noon.

Homer and Humbug.

I do not mind confessing that for a
long time I have been very skeptical
about the classics. I was myself trained
as a classical scholar. It seemed the
only thing to do with me. I acquired
such a singular facility in handling
Latin and Greek that I could take a
page of either of them, distinguish
which it was by glancing at it and,
with the help of a dictionary and a
compass, whip off a translation of it
in less than three hours.

But I never got any pleasure from it.
I lied about the pleasure of it. At first,
perhaps I lied through vanity. Any
scholar will understand the feeling.
Later on I lied through habit, later still
because, after all, the classics were all
that I had and so I valued them. I
have seen a deceived dog thus value a
pup with a broken leg and a pauper
child nurse a dead doll with the saw-
dust out of it.—Stephen Leacock in
Century.

His Own Medicine.

"If you marry him," said her papa,
who was exhibiting symptoms of vi-
olent displeasure, "I will not only have
to support him, but I will have to pay
his debts too."
But the pretty girl and petulant
young thing who was hanging to his
coat lapels was not moved by the ar-
gument.
"Now, papa," she said, "you know
well enough that Fred has to live just
the same as other men, and as to his
debts, I've heard you say hundreds of
times that a man's debts ought to be
paid."—Pittsburgh Dispatch.

CITY AND COUNTY

E. C. Robnett of Centralia was a
city visitor yesterday.

Fred Knudson of New Berlin was
a city visitor yesterday.

is the guest of her cousin, Mrs. Pat-
rick Shanahan.

W. A. Phillips of Easton, Ill., was
attending to business matters in the
city yesterday.

John Pate shipped a car load of
horses and mules to the St. Louis
markets yesterday.

William Sargent and W. T. Dunn
were representatives of Markham in
the city yesterday.

James Cunningham of Arcadia
was among the business visitors in
the city yesterday.

Miss Mary Johnston spent Sunday
at the home of Mrs. W. H. Hinrich-
sen at Alexander.

Mrs. George Cline of Tallula was a
shopper yesterday with Jackson-
ville merchants.

Mrs. George Huffaker of New Ber-
lin was a caller on city friends and
relatives yesterday.

Mr. and Mrs. Thomas Heaton are
spending today with relatives and
friends in Virginia.

Miss Margaret Ryman expected to
go to Chicago today to attend a
nurses' convention.

Mrs. Henry Perbix of Markham
was a shopper with Jacksonville
merchants yesterday.

Frank McCurley, a thriving young
farmer of Murrayville precinct, was
in the city yesterday.

Samuel Cohen of Peoria spent
Sunday with Samuel Etteson and
wife and other friends.

Mrs. James Dewees, who resides
north of Alexander, is visiting with
friends in Greenfield.

Nathan Carpenter of the northeast
part of the county was calling on
city friends yesterday.

Miss Bertha Austin will hereafter
belong to the force employed at the
Harmon drygoods house.

Mrs. John Daniels and Mrs. Earl
Underbrink of Litchberry spent Sun-
day with friends in Petersburg.

Postmaster J. J. Reeve has gone
to Lawrenceburg, Tenn., where he
will visit his son, Arthur Reeve.

Miss Virgie Edwards of Fairbury
is visiting her parents, Mr. and Mrs.
Daniel Edwards on East State street.

Mrs. Mary A. Eads of Toronto,
Kansas, is visiting at the home of her
uncle, George H. Hall in Alexander.

Mrs. S. Osborne, residing on South
Kosciusko street, has returned from
a visit of several days with friends
in Chicago.

Mrs. Byron Gray has gone to De-
catur to spend several weeks with
her son and wife, Mr. and Mrs. Leon-
ard G. Gray.

John VanGelder has ended a
visit with his uncle, Dennis Schram
of this city, and has returned to his
home in Miami, Fla.

Mr. and Mrs. Henry Keemer of
Peoria are visiting Mr. Keemer's
parents, Mr. and Mrs. Orlean Keem-
er north of the city.

Mr. and Mrs. Thomas Paschall and
daughter have returned to their
home in Markham after a visit with
relatives in Jerseyville.

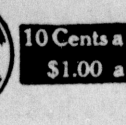

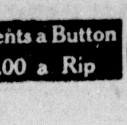

Mr. and Mrs. Russell Connors of
Beardstown are visiting Mr. Con-
nors' parents, Mr. and Mrs. Lewis
Connors on South Main street.

Mr. and Mrs. Frank Pechioffell
and Mrs. Louis Pechioffell spent
Sunday in Springfield the guests of
Mr. and Mrs. Henry Maurer.

Miss Marjorie Oliver has resigned
her position with the Kresge 5 and
10 cent store and has taken another
with the Roach Printing office.

J. B. Corrington and son and John
Snyder of Alexander and Charles
Magill of Arnold left Sunday night
for the Booneville club for a few
days hunting trip.

Walter Grant left yesterday for
the west after a very enjoyable visit
with former Jacksonville friends. It
is reported that he is soon to be
wed to a California lady after his ar-
rival.

SPEAKERS URGE MOVEMENT FOR
NATIONWIDE PROHIBITION

Bishop Wilson of New York Says
48,500,000 People of United States
Are in Territory Where Liquor
Has Been Outlawed.

Columbus, O., Nov. 10.—Speeches
urging a movement for nationwide
prohibition and sounding a note of
co-operation in fighting liquor forces
marked the opening here tonight of
the fifteenth annual convention of
the Anti-Saloon League of America.
No rest until nation-wide prohibi-
tion has been attained was the
theme of an address delivered by
Bishop Luther B. Wilson of New
York, president of the league. Re-
viewing the work of the league he
declared: "State after state has
adopted prohibition until today 48-
500,000 people of the United States
are in territory from which intoxi-
cating liquor has been outlawed."

Easy Bravery.

Jinks—From what you told me of
your mother-in-law I should think
you'd have heard enough from her in
person, without having cared to in-
duce her to talk into your phonograph.
Filkins—Oh, you can't imagine the
pleasure it gives me to start the ma-
chine going and then shut it off right
in the midst of a sentence—Puck.

A Human Habit.

"There is one paradoxical thing
which we all do."
"What is that?"
"We long for things when we are
short"—Baltimore American.

COMMANDERS VISIT DUKE.

Naples, Nov. 10.—Commanders of
the battleships Arkansas and Florida
visited the Duke of Acosta today
and were invited to attend a mili-
tary review tomorrow, the birthday
of King Victor Emmanuel. The
Duke of the Abruzzi arrived here on
his way to the Aegean sea and ex-
changed visits with the American
commanders.

A. F. OF F. L. HEARS REPORT ON CONDITIONS

EXECUTIVE COMMITTEE REVIEWS CONGRESSIONAL LOBBY INVESTIGATION.

"Invisible Government by Organized Dollars" Is Scored—Want More Copies of Hearing Reports Printed—Point to Need of Immigration Restriction Because of Panama Canal—Problem of Unemployed.

Seattle, Nov. 10.—"Invisible Government by organized dollars" was scored in the report of the executive committee of the American Federation of Labor to the 33rd annual convention which began here today. The recent congressional lobby investigation and the charges of M. M. Mulhall against the National Association of Manufacturers formed the basis of the attack.

The report was signed by all officers of the federation who compose the executive council. It dealt exhaustively with all phases of labor conditions in the United States and the insular possessions, but made only an incidental reference to the new federal industrial relations commission and board of mediation and conciliation. The report was not read but a copy was furnished to each delegate.

Review Mulhall Charges.
The reference to the National Association of Manufacturers was the longest in the report. A review of testimony before the senate and house lobby investigations was given, going into detail regarding the activities of what is termed the "invisible government," as embodied in the National Association of Manufacturers. Concerning the National Association of Manufacturers the report said:

"It has been shown to be the worst group of selfish, mercenary interests now fattening upon civilization. The official of that organization have not denied their official signatures to any communication offered in evidence. They have not denied that they paid their lobbyists large salaries and honored immense expense accounts. They have not denied that they attempted to break strikes and their agents went to and from in the halls of congress and frequented the rooms of its members to prevent legislation in behalf of labor. The national association through its over-reaching greed for power and pelf, now stand absolutely discredited before congress and the nation. Its influence for evil has been materially reduced."

The report charged that only a limited number of copies of the lobby hearings have been printed and expressed the hope that the convention would call upon congress to supply more that they might be distributed and the knowledge of the alleged "conspiracy of the manufacturers" be widely disseminated.

Reference to the lobby investigations concludes: "Now that the existence of the invisible government, the stronghold of organized dollars, has been established beyond doubt or question, now that its methods, purposes, and agents have been revealed to the public, those who have at heart the interests of humanity and the maintenance of a democratic form of government, are able to attack the problem with the wisdom of experience and knowledge."

Seek Immigration Restriction.

The early opening of the Panama canal was made the occasion to declare for greater immigration restriction through national legislation. The report says, forces a duty upon the workers in western states

to seriously consider the new problem of foreign immigrant labor. The failure of remedial legislation in recent congresses was deplored.

In connection with the department of labor the report declares in favor of the establishment of a bureau of labor safety to look after the safety of workmen and the encouragement of safety devices. A museum of safety, it was declared, "would be of great assistance in promoting these various purposes."

Only brief comment was made in the report on the contempt of court sentences pending against President Gompers, Vice President Mitchell and Secretary Morrison. A review of the case was given but, aside from declaring that the "opinion of the district court of appeals did not give a decision to the fundamental issues upon which organized labor had been asking a judicial ruling," the report refrains from comment on the court's findings.

Problem of the Unemployed.
Urgent need for the solution of the problem of the unemployed was brought to the attention of the convention. Sympathy with their condition was expressed and the belief was voiced that the unemployed might be used in road construction which automobile travel is making daily of greater importance. Legislation to that end was urged.

Because of the international and world wide trend in the organization of labor, the report stated the federation was heartily in sympathy with movements to bring about lasting international peace.

"Labor organization the world over," says the report, "have committed themselves to the policy of international peace—peace with honor and justice in international politics as well as industry. All national economic and political issues are infected with world interest."

In conclusion the report urged the delegates to give earnest consideration to the recommendations made for remedial legislation, among others: An eight hour work day, injunction limitation, federal bureau of health, seamen's legislation, workmen's compensation, safety appliances, arbitration and automatic stop systems on railways.

LOUISIANA TO RAISE FUNDS.

Baton Rouge, La., Nov. 10.—In order to make possible the borrowing of \$1,000,000 the Louisiana constitutional convention convened here this morning. The proposed amendment to the constitution, which will permit the state to issue short time notes which are to be placed at the best interest rate of state bonds can be taken care of January 1, is expected to meet with little opposition in the convention. The present constitution does not permit the issuing of anything less than a 50 year bond issue. It is also specified that no interest in excess of four per cent is to be paid. Under these restrictions it was found impossible to secure funds, owing to the high prevailing rates.

CONFERENCE OF SURGEONS.

Chicago, Nov. 10.—The fourth annual session of the clinical congress of surgeons in North America opened in this city today and will continue through the week. Nearly 3,500 surgeons from all sections of the United States and Canada, and a number from Europe, are to give addresses on the progress in surgery made during the past year.

Sir W. Arbuthnot Lane of London will be one of the speakers tomorrow night, to be followed by Dr. Herbert J. Paterson of London and Dr. John B. Deaver of Philadelphia. The Wednesday night meeting will be given over to the discussion of the cause and cure of cancer. Germany, will lead the program, which includes addresses by Dr. Roswell Park of Buffalo, Dr. William J. Mayo of Rochester, Minn., and others.

WILL ACT IN UNISON TO MAINTAIN HIGH SCHOOL DISTRICTS

Permanent Organization Formed to Aid Township Schools Affected by Recent Supreme Court Ruling.

The attention of the public is called to the serious emergency now existing for the 36 high school districts organized under act of 1911. This act was attacked and declared unconstitutional in a case against the East Moline district, and is now pending before the supreme court of Illinois.

The emergency is so serious that a meeting of representatives from 15 of the 36 districts affected was held October 30 in Springfield. At that time a permanent organization was formed for the purpose of securing concerted action for the schools affected and which were organized under the act of 1911.

Prof. H. A. Hollister, high school visitor for the University of Illinois, who was elected chairman of the permanent organization, desires that the public should know the facts in regard to the situation. Professor Hollister says the case has been found to be more far reaching and grave than was at first expected. The act of 1911 is fundamentally related to the development of high school privileges in Illinois. It's urgent need is seen in the fact that no less than 36 districts were organized or in process of organization within the last two years from the time of its passage, and many other projected.

The following cases will serve to show how important and far reaching the interests involved. The Mt. Pulaski district has a building now nearing completion for which bonds to the amount of \$45,000 have been issued. The school now enrolls 125 pupils and is conducted in a store room with five teachers employed.

The Marion district was organized early in 1912 and has completed, furnished and equipped a building at a cost of \$75,000, of which \$60,000 is in a bond issue. This school now enrolls 210 pupils and employs ten teachers. Community sentiment is strong. The school population is quite out of proportion with the ability of the town district to maintain a high school.

The Flora district was organized in 1911. They have a fine building completed, furnished and equipped, with a bond issue of \$50,000. The school is in full operation with 150 pupils enrolled. Community sentiment here is also very strong in support of this school.

At Milledgeville a building has been erected and furnished at a cost of \$22,000, with a bond issue of \$20,000. The school is now running with a enrollment of 70 pupils, an increase of 50 per cent over that of the village school.

A most remarkable case is that of the Spring Valley district. This community is largely foreign with mining industries dominant. The school population is large and there is no other way open by which they may have a high school. The movement for such a school was practically unanimous. Bonds to the amount of \$100,000 have been voted and a 40 acre site and experiment station selected. The entire building and equipment projected will cost \$250,000. This school is to have a strong industrial character.

The fifteen districts represented in the meeting at Springfield showed an aggregate bond issue of \$630,000, and an approximate school property value of \$800,000. The actual enrollment in their schools is 1725, and the prospective or eligible enrollment 2600. The value for the entire 36 districts would extend beyond a million.

A serious present handicap to the progress of these schools is due to the hesitancy and fear of township treasurers in honoring warrants is-

sued by boards thus affected, even when funds are available. In one instance, 50 public spirited citizens have agreed to be responsible for the running expenses of the school. In another instance, the members of the board of education have assumed all financial responsibility. In still another case, 40 men have signed a note to raise money to complete their building.

In addition to a permanent chairman already mentioned the meeting at Springfield elected Supt. E. J. Lentz of Marion secretary and appointed a committee on publicity, was authorized. The purpose of this latter committee as proposed was to undertake to secure the presentation to the court, at the earliest possible date, of the combined interests presented in all the districts affected, and to secure relief in the financial affairs of the several districts now operating their schools.

Professor Hollister and the committee consider this matter one of vital importance to the interests of educational development in Illinois. They believe that the creation of a strong public sentiment will aid very greatly in clearing up the situation. They are stating facts not of mere local or personal interest, but a matter of great public concern.

Two important educational gatherings, the one held at Ottawa, Ill., October 17th, and including teachers from the four counties of Bureau, LaSalle, Putnam and Grundy, the other the Schoolmasters' club of Illinois, held at Peoria, October 11th, passed through resolutions expressing the desire that steps might be taken to put the 1911 high school law on a sound basis again.

Six more of the 36 districts affected but not represented at the Springfield meeting have been heard from as keenly interested in the outcome. These districts are Girard, Hume, Hutsonville, Annawan, Bismarck and Alvin.

FEATURES OF THE GAME LAW.

The following are some of the features of the national game law for Illinois, which supersedes all state or local laws of any kind and must be observed on penalty. It is possible all are not yet fully understood. There is no time at all when migratory insectivorous birds may be killed.

Band tailed pigeons, little brown, sandhill, and whooping cranes, swans, curlew and all shore except as specified, closed all states to 1918.

No open season for wood duck till 1918.

Brants, ducks and geese, September 1 to December 15; no spring shooting.

Rails, coots and gallinules, September 1 to November 30. Woodcock, closed to 1918.

Black breasted and golden plover, jacksnipe or Wilson snipe, greater or lesser yellowlegs, September 1 to December 15; no spring shooting.

SOIL EXPERT.

The board of supervisors of Sangamon county will be asked to appropriate \$4,000 annually for use of the County Soil and Improvement association. This is one-half of the amount needed to conduct the work planned. The other half is to be raised by the Sangamon County Farmers' congress.

QUICK RELIEF FOR RHEUMATISM.

George W. Koon, Lawton, Mich., says: "Dr. Detchen's Relief for Rheumatism has given my wife wonderful benefit for rheumatism. She could not lift hand or foot, had to be lifted for two months. She began the use of the remedy and improved rapidly. On Monday she could not move and on Wednesday she got up, dressed herself and walked out for breakfast." Sold by L. P. Alcott, druggist.—Adv.

Old Time Sores And Ulcers Healed

Old Wounds Often Bother Many Years After.

People who have been poulticing and anointing an old sore for years and years marvel at the way it heals quickly after using S. S. S.

When you come to realize that the skin and the flesh beneath are composed of a network of tiny blood vessels you solve the mystery.

There are wonderful medicinal properties in S. S. S. that follow the course of the blood streams just as naturally as the most nourishing food elements.

It is really a remarkable remedy. It contains one ingredient, the active purpose of which is to stimulate the tissues to the healthy selection of its own essential nutriment. And the medicinal elements of this matchless blood purifier are just as essential to well-balanced health as the nutritious elements of the meats, grains, fats and sugars of our daily food.

Not one drop of minerals or drugs is used in its preparation. Ask for S. S. S. and just insist upon having it. And if you desire skillful advice and counsel upon any matter concerning the blood and skin, write to the medical department, The Swift Specific Co., 210 Swift Laboratory, Atlanta, Ga.

Do not allow some zealous clerk to larrup the atmosphere in eloquence over something "just as good" as S. S. S. Beware of all substitutes.

PLANNING FOR GREATER SERIES OF CONTESTS

AMERICANS ARE PLANNING TO BROADEN LIST OF VICTORIES

Out of Nine Competitions of International Character, United States Representatives Won Six, Lost Two and Did Not Enter in Other.

New York, Nov. 10.—With the echoes of the most successful season of international competition in the history of American sport still faintly heard, plans are being made for a still greater series of contests in 1914. Not satisfied with the winning or retention of the tennis, polo, golf, sonder yacht, balloon and rifle trophies, the American athlete and sportsman is preparing to broaden the list before another twelve months shall have rolled around. Out of nine competitions of international character or entry the United States representatives won six, lost two, and did not enter the ninth. The two defeats came in the motor boat race and the woman's golf tournament, both of which were won by Englishmen.

Looking forward to 1914 the sporting calendar already contains tentative dates for another round of Davis cup tennis and international polo. Sir Thomas Lipton's fourth attempt to lift the America's cup will be a feature of the year in sport. The English amateur and professional golfers will again invade the states and American entries are assured for the English championships. The winning of the balloon race trophy assures a renewal of the air classic here next autumn. The Amateur Athletic union will send a team of athletes to Athens for the local cycle Olympic games to be held there next spring and other minor international competitions, such as canoeing, archery and cricket, are assured.

In fact, the spirit of international competition can be said to continue without interruption, since several American teams are preparing to leave for foreign shores this month. The two professional baseball teams, their round the world tour, will undoubtedly attract wide attention, but the Giants and White Sox will not be the only American athletic representatives to depart for foreign competition during the next few weeks. While the professional baseball players will have greater numerical strength when they depart from Vancouver on November 19, the Amateur Athletic union track and field team and several American tennis players will also be followed with interest in their invasion of oriental and Australasian fields. The athletes are scheduled to sail for Melbourne on November 12, and William Johnston, Elia Fottrell and possibly one or two other California tennis experts will leave for the orient about the same time.

The chief object of Johnston's and Fottrell's trip is to play in both the doubles and singles matches of the tennis championship of the orient tournament to be held at Manila, January 3 to 12. This tournament is of more than usual importance this season because of the high class entry list expected. The leading players of Australia, Japan, China and the Pacific coast have been invited to compete and to date the percentage of acceptances has been most encouraging. Johnston and Fottrell will also visit Honolulu, Yokohama, Shanghai, Kobe and Nagasaki during their tour, playing practice and exhibition matches wherever possible.

When Yale alumni gather at New Haven Saturday for the annual Princeton-Yale football game, the former students will almost to a man devote a portion of their time to an inspection of the mammoth Yale stadium now under construction, almost directly across the street from the scene of the gridiron battle between the Eli and Tiger elevens. Rapid progress has been made in the construction of the "Blue Bowl" as the stadium has been facetiously dubbed by members of a flippant generation, and the graduates will be able to secure an excellent idea of the final appearance of the stadium as it will be thrown open to them for the Yale-Harvard game late in the autumn of 1914.

The stadium, which will be of the sunken type similar to the Syracuse university structure, is expected to seat about 60,000 spectators and is a contracting proposition of considerable magnitude. The excavating work has been completed and the wall surrounding the entire field is well under way. More than half of the 32 tunnels which pierce the walls for entrance and egress of spectators are finished and the structure as a whole is beginning to take shape. The contracts for the seats and finishing features of the stadium are ready and will be open for bid shortly.

ATTRACTIVE HAIR

Always Fascinates—Parisian Sage Makes Hair That is Dull, Faded or Thin, Abundant and Gloriously Radiant.

Every girl and woman, too, wants to be beautiful and attractive—its her birthright—but unsightly or thin and characterless hair destroys half the beauty of the most attractive face. If your hair is not fascinating, is thinning out, full of dandruff, dry or if the scalp itches and burns, begin at once the use of Parisian Sage. It will double the beauty of the hair, cool and invigorate the scalp and the first application removes the dandruff. It is the hair tonic per excellence, containing the proper elements to supply hair needs and make the hair soft, wavy, lustrous and abundant.

Parisian Sage is sold by Armstrong in 50 cent bottles is pleasant and refreshing, daintily perfumed—neither greasy nor sticky.—Adv.

EXECUTORS' NOTICE.

Estate of William H. Rowe, deceased. The undersigned, having been appointed executor of the last will and testament of William H. Rowe, late of the county of Morgan and state of Illinois, deceased, hereby gives notice that he will appear before the county court of Morgan county, at the court house in Jacksonville, at the January term, on the first Monday in January next, at which time all persons having claims against said estate are notified and requested to attend for the purpose of having the same adjusted.

All parties indebted to said estate are requested to make immediate payment to the undersigned. Dated this 1st day of November A. D., 1913.

Charles A. Lowe, Executor.

DECIDE YOURSELF

The Opportunity Is Here, Backed by Jacksonville Testimony.

Don't take our word for it. Don't depend on a stranger's statement. Read Jacksonville endorsement. Read the statements of Jacksonville citizens.

And decide for yourself. Here is one case of it. W. E. Allen, 627 S. Prairie St., Jacksonville, Ill., says: "I had pains in the small of my back and through my sides, especially when I was standing. The trouble made me feel all tired out. Finally I went to Armstrong's Drugs store and got a supply of Doan's Kidney Pills. After I had used one box, the troubles soon disappeared. I have had no kidney ailments since. All I said about Doan's Kidney Pills when I recommended them a few years ago still holds good."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

LONDON INSTALLS NEW LORD MAYOR

London, Nov. 10.—The time honored lord mayor's show took place today and the new lord mayor of London, Sir Thomas Van Sittart, 30-year-old, was formally installed in office, succeeding Sir David Burnett. The route of the procession, from the Guildhall to the law courts and return, was elaborately decorated with flags and bunting. The procession was exceedingly spectacular. Crowds of unemployed workmen and women were massed along the Victoria embankment and at other points on the route, but their demonstrations were entirely orderly, and outside of keeping the throngs from breaking over the sidewalks into the roadway the forces of metropolitan police massed along the line had little or nothing to do.

Sir Thomas Bowater, the new lord mayor, is 51 years old and a native of Manchester. As a young man he came to London and engaged in business. He is now the head of a large firm of paper makers. His rise to the office of chief magistrate of the city has been rapid. In 1889 he became a representative on the court of common council, and in 1906 was elected sheriff and later alderman. He is a great lover of outdoor sports and expects to do a great deal while in office for the Olympic games.

SURGEONS CONVEINE IN CHICAGO

Largest Body of Scientific Men Ever Gathered in U. S. To Be Present.

The farthest advance that has been made by surgery for the relief of human suffering will be marked out by the fourth annual Clinical Congress of Surgeons of North America in session at Chicago. Three thousand surgeons will attend, the largest body of scientific men ever gathered in this country. The foreign surgeons are headed by Sir Rickman Godlee, president of the Royal College of Surgeons of England.

More than 2,000 operations will be performed in clinics in the presence of the delegates. The most startling surgical miracle that may be staged during the week may be the transplantation of a human limb. Possibility of the success of this operation clearly has been indicated in experimental work on animals. It is certain that attempts will be made at this demonstration if human beings who have lost limbs can be brought to the operating table when the corresponding limb of persons who have died in health are available. Owing to the great interest in this new promise of surgery and the possibilities that it opens every effort will be made to perform one or more such operations this week here.

Transplantation of organs, such as kidneys, is included in the scope of this operation and a number of such operations will be performed.

Cancer, tuberculosis and diseases of the ductless glands are the chief scourges of humanity in the present day. The surgeons will take a square look at what progress has been made in the last year toward the conquest of these maladies.

Lung surgery and study of the mysterious influence on every function of the body of the isolated organ shown as the ductless glands will occupy several days of clinics. Manufacture of new joints from old ones solidified by tuberculosis or nephritis will be shown in a number of operations under the eyes of Sir Arbuthnot Lane of London, who invented the operation.

RHEUMA WILL STOP

URIC ACID DEPOSIT

Rheumatic Complications Checked and the "Human Sewers" Restored.

The Kidneys, Bowels and Skin are the "human sewers" which carry off the impurities in the blood. When these are clogged uric acid sediment lodges in the muscles and joints and Rheumatism follows. RHEUMA, the great remedy for all forms of the terrible disease, checks the deposit of Uric Acid.

"I suffered from Rheumatism for six years. Tried different doctors, with no relief. I have taken three bottles of RHEUMA and am entirely free from the disease."—P. W. Miller, Catawissa, Pa.

You money will be returned if it fails; 50 cents a bottle. All druggists.

U. S. GOOD ROADS ASSOCIATION. St. Louis, Nov. 10.—The United States Good Roads association, of which Senator Bankhead of Alabama is president, met for its annual convention in this city today. Delegates from all over the country, among them a number of governors, congressmen and other public officials, were in attendance. Governor Major of Missouri welcomed the visitors. The sessions will continue through the entire week.

NO HUNTING ALLOWED. William E. Reynolds, John D. Hermbrough and W. H. Lamkular are among farmers who have given notice that no hunting will be allowed on their premises.

D. D. D. Opens New Era in Cure of Skin Disease

Professor Budlong's case of eczema was known to almost every hospital and physician of reputation throughout the state of Connecticut. His letter is another interesting demonstration of what is being accomplished by the famous specific D. D. D. Prescription. It may be of interest to you to know that your life-giving preparation, D. D. D. Prescription, has been of incalculable value to me. I was covered with eczema from head to foot when I began using your remedies. I could get no relief, although I tried a thousand means. I applied but two bottles of the prescription, and eczema was effected in a very short time, in less

than one month.—Prof. C. J. Budlong, South Lyme, Conn.

Ask any druggist today for D. D. D. Prescription. He'll tell you it always acts instantly—and soon there are signs of cure.

We have handled the remedy for years and regard it as the specific for skin troubles of all kinds. Come in or ask us about D. D. D. Prescription, also about D. D. D. Soap, especially for tender skins.

We offer the first full size bottle on the guarantee that unless it stops the itch at once, it costs you not a cent.

Lee P. Alcott, druggist.

LITERBERRY.

Mrs. Joe Liter was called to Jacksonville last Thursday by the serious illness of her mother, Mrs. Black, of South Jacksonville.

Mrs. W. R. Metcalf of Bosworth, Mo., is visiting relatives in Literberry for a few weeks.

Mrs. John Daniels of Broadway went to Petersburg Sunday to be present at the laying of the corner stone of the new Baptist church.

C. A. Beavers and family expect to go to Pike county on a business trip, which will consume about one month's time.

The Baptist Sunday school will serve supper on the afternoon and evening of Thanksgiving, on Wednesday, the 26th, in the basement of the church. This supper will be on the cafeteria plan, and is expected to please all comers. The reason for changing the style of serving is because the ladies serve such great quantities of good things that it overloads the tables and creates confusion. There will be just as many good things as usual, but under the cafeteria style every one will be free to choose just what they like and not be bothered with dishes they do not want.

The Clio circles will serve an oyster supper at the Christian church next Saturday night, the 15th.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It.

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system.

They do that which dangerous calomel does with out any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or disagreeable effects of any kind.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil, you will know them by their olive color.

Take one or two every night for a week and note the effect. 10c and 25c per box. The Olive Tablet company, Columbus, Ohio.—Adv.

THE BIRTH RECORD.

FARMER'S WIFE ALMOST A WRECK

Restored to Health by Lydia E. Pinkham's Vegetable Compound—Her Own Story.

Westwood, Md.—"I am a farmer's wife and do most of my own work when I am able. I had nervous spells, female weakness and terrible bearing down pains every month. I also suffered much with my right side. The pain started in my back and extended around my right side, and the doctor told me it was organic inflammation. I was sick every three weeks and had to stay in bed from two to four days.

"It is with great pleasure I tell you what Lydia E. Pinkham's Vegetable Compound has done for me. I have followed your directions as near as possible, and feel much better than I have felt for years. When I wrote you before I was almost a wreck. You can publish this letter if you like. It may help to strengthen the faith of some poor suffering woman."—Mrs. JOHN F. RICHARDS, Westwood, Maryland.

Women who suffer from those distressing troubles to their sex should not doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

NEW BOND ORDINANCE IS BEFORE COUNCIL

WAS GIVEN FIRST READING AT SESSION MONDAY MORNING.

Measure Recently Passed Found Defective—Invitation to Meet With Chamber of Commerce Tonight Accepted—Light Bond Election Fixed For December 20th.

The council session Monday morning was of more than usual interest. A letter was read from the Chamber of Commerce inviting the members of the council to be present tonight when the report on the local lighting situation prepared by Prof. J. H. Bryant of the University of Illinois is read. The letter also suggested that if there have been differences between the council and Chamber of Commerce in the past that now was the time to forget the past and to get together on some proposition for securing better lights. Commissioner Engel explained to the council about the runaway of fire horses Sunday night for which he considered nobody culpable. The statement by Mr. Brennan that J. M. Hurst keeper of the city prison had declined to vacate upstairs rooms which are needed for city purposes resulted in several motions and counter motions but the final action taken was requesting Mr. Hurst to hand in his resignation. The bond ordinance recently passed by the city council has been declared defective by Wood and Oakley of Chicago, bond experts, and to remedy the matter a new ordinance was given a first reading. An ordinance was also given the first reading calling for a special election on the bond light matter for December 20th.

Order of Business.
After the roll had been called and the minutes of the last meeting approved Mr. Bryant read invitations from committees of arrangements for several gatherings. These included the Fourth American Road Congress in Philadelphia, the Tenth River and Harbors Congress in Washington and the National Conservation Congress which will meet the coming week in Washington.

The following letter from the Chamber of Commerce asking the mayor and commissioners to meet with the Chamber of Commerce and discuss the light report made by Mr. Bryant of the University of Illinois was read.

November 8th, 1913.
Mayor Geo. W. Davis, Jacksonville, Ill.
My Dear Mayor Davis: As Tuesday evening is the time of our regular meeting of the directors of the Chamber of Commerce, at which time the report of the light expert will be considered, we would be more than pleased to have you and all the commissioners present, for the report is favorable to the action which you have taken.

We are very anxious to co-operate with you and give you the united support of the three hundred business interests and heavy tax payers which we represent. We have somewhat misunderstood each other, but human nature is subject to mistakes. Let us forget the by-gones which we are trying to do and keep our eyes on a big future program for Jacksonville.

The Chamber of Commerce is not prompted by selfish or a dictatorial policy, but with a spirit of helpfulness that we come to you. No honor do we wish to claim, for the commissioners are as much a part of us, and are as close to us, as any other business men.

It is going to take compromise and concessions to put over the city's lighting program, and when once together, we are sure to accomplish better results. It's the altogether—pull together spirit for which old Jacksonville is crying.

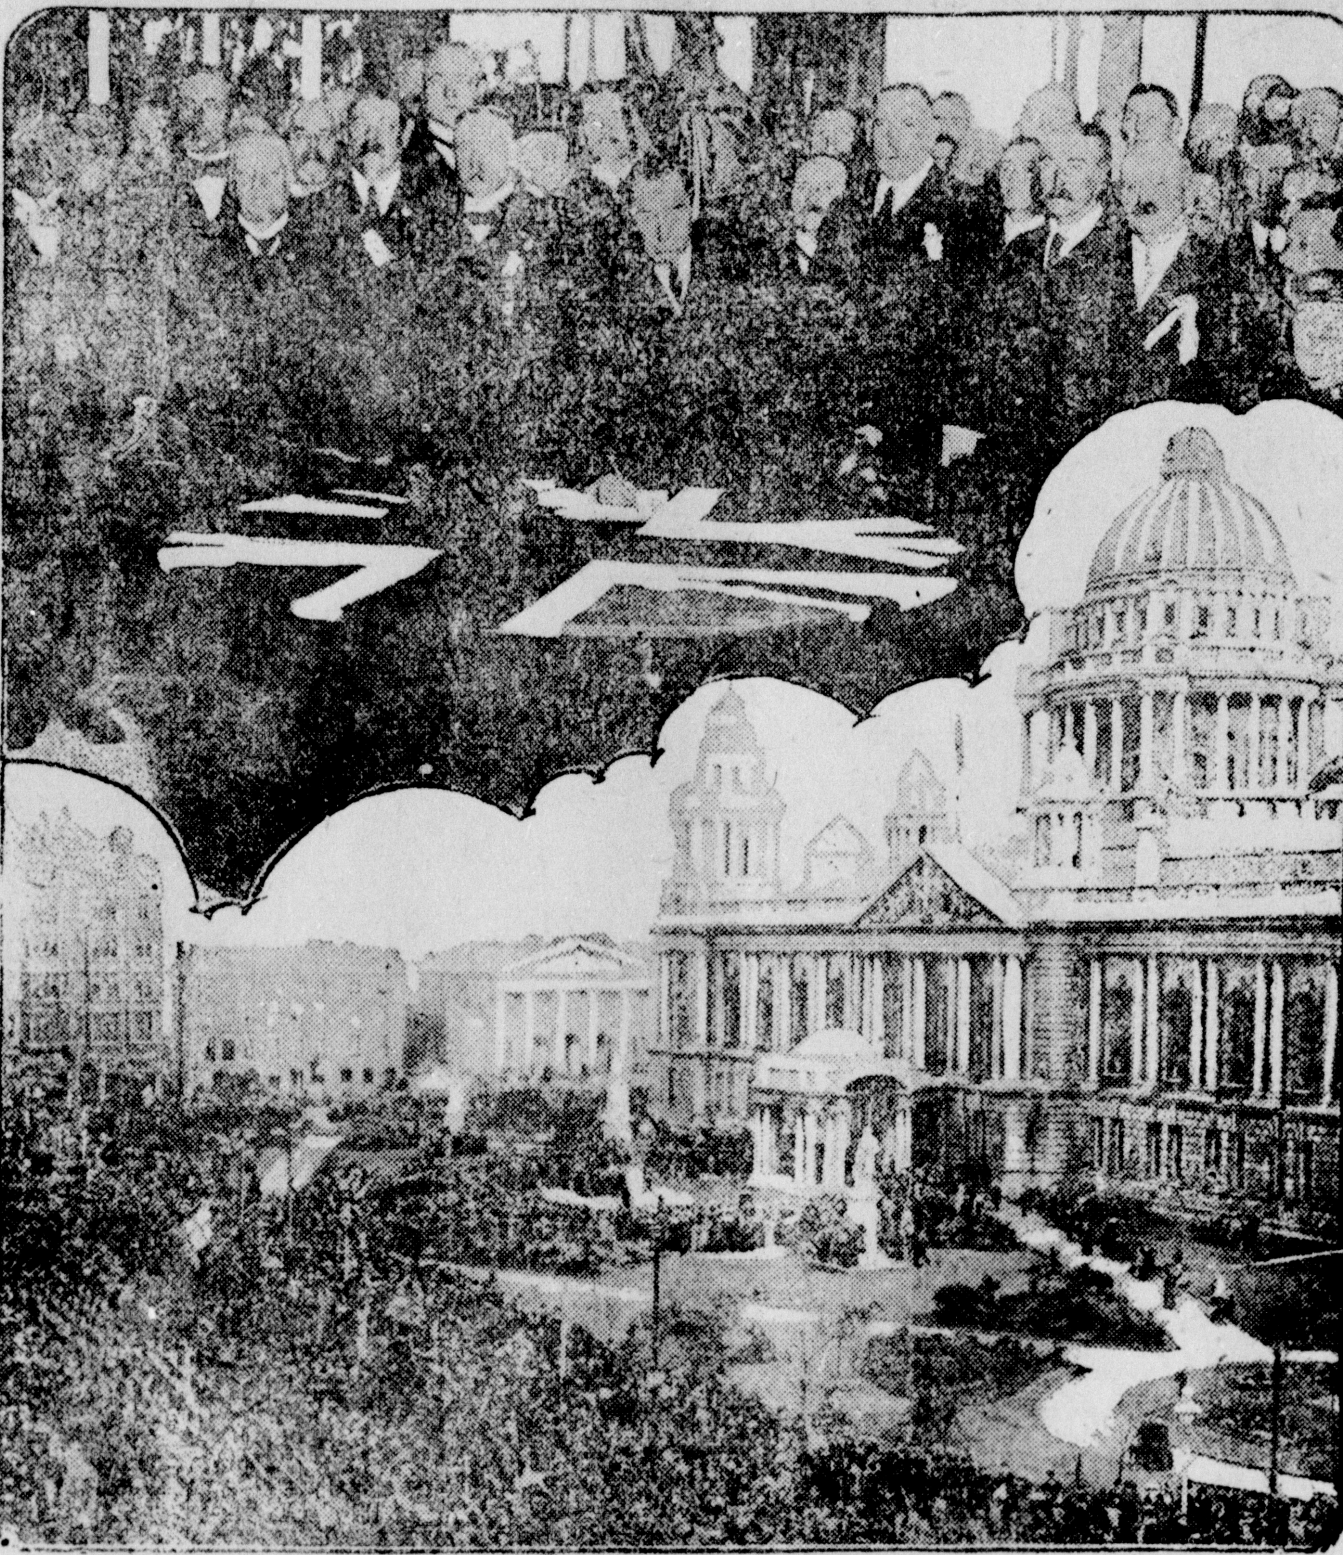

Trusting Mr. Mayor and Commissioners that it will be possible for all of you to attend the director's meeting, we are
Jacksonville Chamber of Commerce.
E. J. Andrews, President.
Paul B. Pritchey, Secretary.

Invitation Accepted.
Commissioner Brennan made a motion that the invitation be accepted and Mr. Newman offered a second. This motion was carried four to one, Commissioner Knollenberg voting against it.

President Andrews and Secretary Pritchey of the Chamber of Commerce were present and Mr. Andrews spoke very briefly thanking the council for the action taken. He said that the Chamber of Commerce and the council were working for the same end and he believed that it would be a very easy matter for them to get together and that such action should make it comparatively easy to make it possible for the city to secure good lights. He said that no man could work any harder on the proposition that Mr. Brennan was doing but that he believed there was advantage in having the best judgment of a number of people in this matter so far as he was concerned he said he was especially interested in having it provided that the city should have lights all over and he believed the small property holder on the outskirts of the city should be just as well taken care of as the larger property holder in the business section.

Can Float Bonds at Par.
Mayor Davis said that he and Commissioner Knollenberg had been to Chicago in conference with Wood and Oakley who are attorneys with special experience and knowledge in bond matters and that Mr. Wood after examination of the bond ordinance had declared it defective; that he so drawn that it would be difficult or impossible to sell the bonds in case the matter was passed on favorably in the proposed special election. He said that they had arranged to draw up an ordinance covering the matter in the proper form. The attorney had drawn an election ordinance, the bond ordinance and the notice of election to accompany the same and all three were ready for council action.

Scenes Attending Home Rule Fight In Ireland, Where Civil War Threatens.

Photos by American Press Association.

The campaign for and against home rule in Ireland is at an acute stage. The Ulster opposition to home rule, headed by Sir Edward Carson, is most bitter. Sir Edward says an army backed by \$5,000,000 will be raised, if necessary, to keep Ireland under England's control. In the illustration are shown Sir Edward Carson signing the covenant to resist home rule and a rally of his supporters in the streets of Belfast.

Mr. Newman asked the mayor if he made any inquiry about the possibility of floating bonds and the mayor replied that Mr. Wood was of the opinion that there would be no difficulty in floating the bonds at par if the matter was decided favorably at the election and all preliminary work had been correctly done. The mayor said also that he had called up the first vice-president of the Ft. Dearborn National bank whom he knows and had been referred to the officer in charge of the bond department at the bank and that there also he was given assurance that there would be no difficulty in floating the bonds. Commissioner Knollenberg said he had also made inquiries at a number of places and had received the same assurance. Commissioner Brennan said that he believed that the larger part of the bonds could be sold right here at home as they would bear 5 per cent and will not be subject to the new income tax.

Reported on Runaway.
Commissioner Engel made a report on the runaway which occurred in the Fire Department Sunday night. A call came in for Alden Brown's residence on West State street. When the team hitched to the engine was ready to start one of the horses in leaping forward stumbled and fell and so pulled the lines loose from the clip at the side of the seat which holds them. The driver had taken his place from the other side of the seat and as the lines dropped to the floor he was powerless to reach them. The doors of the building were still closed but when the horse fell forward he struck the door or else the end of the tongue did and with the result that the doors burst open and the animals rushed out madly turning to the east. They ran down East North street to the railroad then turned north along the street car tracks to the Wabash right or way where they turned to the left, then soon afterwards they stopped. Fortunately the engine did not collide with any vehicles on the street and no damage at all resulted except that the harness was broken in several places. Alex Howard and Howard Wannamaker were on the back part of the engine and they did not realize until 4 or 5 blocks from the engine house that they were riding on a driverless engine. When Illinois avenue was reached they jumped off. Commissioner Engel was of the opinion that nobody was to blame for the accident.

Commissioner Brennan reported that he and Commissioner Knollenberg had talked to Mr. Hurst with reference to vacating rooms in the second story of the city building which are needed for the proposed changes in offices and that Mr. Hurst said in effect that he would not surrender the rooms without a legal process, and that he would give up position as prison keeper before he would accede to the council's wishes. He said that Mr. Hurst seemed to think that there was some personal matter or feeling involved where as there is nothing of the kind, their only motive for the proposed changes being the fact that more room is needed and that the proposed way is very desirable.

Ask Mr. Hurst's Resignation.
Commissioner Knollenberg with a second by Commissioner Brennan made a motion that Mr. Hurst be

discharged or relieved from duty. Mayor Davis suggested that it would be better to make the motion in the form of asking for Mr. Hurst's resignation but Mr. Knollenberg declined to make this change as he considered in view of all the facts that there was no need for any circumlocution or soft speaking. In order to have another motion however Mayor Davis declared the one made by Mr. Knollenberg out of order and asked some to make a motion in the form that he had outlined.

There was a good deal of hesitating and delay and then Commissioner Newman made a motion that the matter be referred to Commissioner Knollenberg with power to act this received no second. A like motion was made with reference to Commissioner Engel and it met with a like fate. Finally Mr. Newman offered a motion of adjournment but this received no second and then Mr. Newman made a motion that Mr. Hurst be requested to resign. At the request of Mayor Davis Mr. Brennan seconded this motion and it was carried, Mr. Engel voting against it.

An ordinance to repeal the bond election ordinance was read and laid over under the rules. An ordinance calling a bond election as prepared by Wood and Oakley was given a first reading. Mayor Davis and Mr. Brennan said this action was understood to be entirely satisfactory to the Chamber of Commerce as it would not interfere with any change desired to be made following the conference proposed for Tuesday night.

Election Officials.
An election ordinance fixing the election for December 20th was given the first reading. The polling places will be as follows:

First ward—Precinct No. 1, C. B. & Q. building, East North street; Precinct No. 2, Jefferson school building.
Second ward—Precinct No. 1, Franklin school; No. 2, voting booth, rear of jail.
Third ward—Precinct No. 1, Tonn Carpenter building; No. 2, voting booth, South Fayette street.
The judges and clerks for the election will be as follows:
Precinct No. 1, first ward, James McNamee, Frank McKenna, P. Quigley, clerks, John Koenig, William Schildman, R. Leary.
Precinct No. 2, first ward: Judges, John Ferry, J. S. Self and John Hall; clerks, Charles Blesse, Herman Holle, Edward Jackson.
Precinct No. 1, 2nd ward: Judges, Ben Cohen, Ellis Henderson, H. J. Capps; clerks, Clyde Vasconcellos, Joe Gomes, William Hopper.
Precinct No. 2, 2nd ward: Judges, Walter Higgins, William Benson and George Paul; clerks, R. Vasey, Herbert Vasconcellos, Wilbur Jeffries.
Precinct No. 1, third ward—Judges Patrick Devlin, John Merrigan, T. H. Ryan; clerks, Henry Rustmeyer, C. McCullough, John Hagel.
Precinct No. 2, third ward—Judges John Catherwood, Carl Joaquin, W. C. Howe; clerks, James Murphy, J. Strawn, W. A. Blue.
Precinct No. 1, fourth ward—Judges, Dan Bahan, J. J. Brennan, I. M. Bunce; clerks, Roy Goodrick

M. M. Woods, Charles Tinsley.
Precinct No. 2, fourth ward—Judges, James Groves, W. H. Dalton, L. W. Chambers; clerks, Frank Vickery, R. D. Dunlap, J. W. Hamilton.

PASSAVANT NOTES.
Dr. Riley of Winchester was a professional caller in the city yesterday.

Howard Hankins and Carl Neat were visitors at the hospital Sunday from Winchester.

Mrs. Edward Ryan and Mrs. J. J. Dickson of Boardstown were in the city yesterday to see Mr. Ryan who is a patient at the hospital. He is recovering in a satisfactory manner.

There are six new babies at the hospital now and yesterday the little tots had a group picture taken, each baby being held by a nurse.

Mrs. H. Ruhler and daughter Tiede and Miss Hulda Harnel of Pekin were Sunday visitors at Passavant.

Cause of Insomnia.
The most common cause of insomnia is disorders of the stomach and constipation. Chamberlain's Tablets correct these disorders and enable you to sleep. For sale by all dealers.—Adv.

J. M. Allen of Decatur was a business caller in the city yesterday.

Madame Lyra Corsets

The acme of perfection in corsetry. They are modeled to produce the most advanced and correct lines of the season's vogue.

Serve It TONIGHT!

Let all the folks taste this pure food. Let them spread it on bread. Use it for cooking. Marigold Oleomargarine is health-building—nutritious. It's clean. And you save 10c to 20c a pound by using it.

Marigold Oleomargarine

Marigold is served to more than a million persons daily. It is made in our modern, sanitary churneries. Every pound is Government inspected. You'll like its delicious flavor. Serve it TONIGHT! All good dealers sell it. We'll send you our cook book of famous recipes free. Write for it!

MORRIS & COMPANY Chicago U.S.A.

"A Perfect Woman Nobly Planned To Warn, to Comfort and Command"

Nature never intended woman to be delicate, ailing, or a sufferer from "nerves." Women in middle age complain of "hot flashes." Many women suffer needlessly from girlhood to womanhood, and from motherhood to middle life, with backache, or headache, dizziness, faintness, or bearing-down sensations. For a permanent relief from these distressing symptoms nothing is so good as

DR. PIERCE'S FAVORITE PRESCRIPTION

as a soothing and strengthening nerve—alays and subdues nervous excitability, irritability, nervous exhaustion, and other distressing symptoms commonly attendant upon functional and organic diseases of the feminine organs. It induces refreshing sleep and relieves mental anxiety and dependency.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules.

A. L. BLACK & CO

WORLD'S LATEST FINANCIAL AND MARKET NEWS

STOCK QUOTATIONS ARE SCALED DOWN

**BUSINESS IS SMALL IN PROPOR-
TION TO EXTENT OF MOVE-
MENT.**

Stock Market Receives Severe Set-
back of Some Time—Belief That
Crisis is Approaching in Mexican
Situation is Foremost Factor in
Influencing Sentiment.

(By Associated Press)

New York, Nov. 10.—Quotations
were scaled down all through the
stock market today. It was the se-
riest setback of some time with
losses among the representative
stocks running up to 4 points at the
low figures of the day. The amount
of business was small in proportion
to the extent of the movement and
the absence of strong support in any
quarter of the market was disquiet-
ing to holders of stocks. Even more
significant was the evidence of genu-
ine liquidation which was written all
through the record of the day. Con-
servative investment stocks like
American Telephone and Electric Co.,
Columbia and American Telephone
were sold at concessions. In many
cases prices reached the low points
since the slump of last June and
in a number of stocks, including
Atchafalpa, St. Paul, New Haven,
American Telephone and rubber low
marks for the year were set.

Belief that a crisis is approaching
in this country's relations with Mex-
ico was the foremost factor in in-
fluencing sentiment.
United States Steel's monthly
statement of unfilled tonnage was
considerably poorer than had been
expected. For the first time in nearly
two years, unfilled tonnage fell
below the 5,000,000 mark, the de-
crease amounting to more than 3-
000,000 tons in the last twelve
months. The showing last month in-
dicated that orders in that period did
not average over 50 per cent of pro-
duction. From the copper trade
came similarly discouraging news.

Slaughter Sale of Pianos

The W.T. Brown Piano Co. Stock of Pianos are Going Fast. Why?

For nearly forty years Mr. Brown has been selling only high grade pianos. He has been the largest and most reliable piano man in Jacksonville. Has sold the right kind of pianos at the right price and treated the people square, and we are going to do the same way. Now, Mr. Brown has sold out his business, and we must dispose of all his stock. To sell it quickly we must cut the prices, and we have CUT THEM DEEP. That's why they are selling so fast.

Prices and Terms made to suit the convenience of every buyer. \$10.00 down and \$6.00 per month buys a Piano

Grand Pianos, Player Pianos, and many Upright Pianos, as low as \$59. Square Pianos and Organs \$5 and \$10

We invite you to see these exceptional bargains. It's your loss if you stay away. Our salesmen like to show you through, but you are not required to purchase unless you wish.

CORN CROP OF 1913 IS MOST VALUABLE EVER GROWN IN U. S.

(Continued From Page One)

bushels last year. Yield per acre, 7.9 bushels, compared with 9.8 bushels last year, and 9.0 bushels, the 10-year average. Average farm price, 118.7 cents per bushel, compared with 133.4 cents per bushel last year. Quality, 101.8 per cent, compared with the 10-year average.

Tobacco—Total production, preliminarily estimated, 903,875,000 pounds, compared with 962,855,000 pounds last year. Yield per acre, 789.8 pounds, compared with 785.5 pounds last year and 824.0 pounds, the 10-year average. Quality, 97.4 per cent of the 10-year average.

Wheat—Total production, preliminarily estimated, 753,233,000 bushels, compared with 730,267,000 bushels last year. Yield per acre, 15.2 bushels, compared with 15.9 bushels last year and 14.2 bushels the 10-year average. Average farm price, 77.9 cents per bushel, compared with 83.8 cents last year. Weight per measured bushel, 58.6 pounds, compared with 58.3 pounds last year and 57.8 pounds the 10-year average.

Oats—Total production, preliminarily estimated, 1,122,139,000 bushels, compared with 1,418,337,000 bushels last year. Yield per acre, 29.3 bushels, compared with 37.4 bushels last year and 29.8 bushels the 10-year average. Weight per measured bushel, 32.1 pounds, com-

pared with 33.0 pounds last year and 31.5 pounds the 10-year average.

Barley—Total production, preliminarily estimated, 173,301,000 bushels, compared with 223,824,000 bushels last year. Yield per acre, 23.9 bushels, compared with 23.7 bushels last year and 25.5 bushels, the 10-year average. Average farm value, 54.7 cents per bushel, compared with 53.8 cents last year. Weight per measured bushel, 46.5 pounds, compared with 46.8 pounds last year and 46.0 pounds in 1911.

Rye—Total production, preliminarily estimated, 34,789,000 bushels, compared with 35,664,000 last year. Yield per acre 16.3 bushels, compared with 16.8 bushels last year and 16.1 bushels, the 10-year average. Average farm price, 63.2 cents per bushel, compared with 68.8 cents last year.

Hay—Total production, preliminarily estimated, 63,460,000 tons compared with 72,691,000 tons last year. Yield per acre, 1.31 tons, compared with 1.47 tons last year and 1.43 tons, the 10-year average. Average farm value, 12.26 a ton, compared with \$11.80 a ton last year.

Final estimates of the crop reporting board giving the harvested acreage, production, and value of important farm crops of the United States will be announced by the Department of Agriculture Monday, December 15.

State Crop Details.
Details for important crops in principal states follow:

States	Yield per acre	Production	1913	1912	10-yr.
	1913	1912	10-yr.		
	Corn.				
	Bush.	Bush.	Bush.	Bush.	Bush.
Illinois	27.0	40.0	36.0	284,877,000	426,320,000
Iowa	34.0	43.0	33.8	338,198,000	432,021,000
Missouri	17.5	32.0	30.0	129,378,000	243,904,000
Nebraska	15.9	24.0	27.2	114,135,000	182,616,000
Indiana	36.0	40.3	36.7	176,328,000	193,364,000
South Dakota	25.5	30.6	28.5	66,810,000	76,347,000
Minnesota	40.0	34.5	34.1	94,280,000	78,177,000
Wisconsin	40.5	35.7	34.1	66,096,000	58,262,000
	Potatoes.				
Wisconsin	109	120	95	32,046,000	34,920,000
Minnesota	110	135	94	26,730,000	33,075,000

The total yield of various minor farm products for 1913, expressed in percentages of a "full crop" was estimated by the department of agriculture today in its November crop report from reports of agents and correspondents of the bureau of statistics (agricultural forecasts), as follows:

Fruits.	1913	1912	1911
Apples	44.6	69.9	62.4
Apricots (Calif.)	61.0	80.0	75.0

SLAYS INSANE MAN AS THIEF.

Shoots Escaped Lunatic Entering His Home.

While attempting to enter the home of Barnett Shoup, four miles south of Sumner, Ill., Sherman Weyer was shot by Mr. Shoup, who mistook him for a burglar. He died two hours later.

The coroner's jury found a verdict of justifiable homicide. Weyer was demented and had escaped from his keepers at Bridgeport.

Declare War on Colds.

A crusade of education which aims "that common colds may become uncommon within the next generation" has begun by prominent New York physicians. Here is a list of the "don'ts" which the doctors say will prevent the annual visitation of the cold:

"Don't sit in a draughty car."
"Don't sleep in hot rooms."
"Don't avoid the fresh air."
"Don't stuff yourself at meal time. Overeating reduces your resistance."

To which we would add—when you take a cold get rid of it as quickly as possible. To accomplish that you will find Chamberlain's Cough Remedy most excellent. Sold by all dealers.—Adv.

SOUTHERN WOMEN IN SUFFRAGE FIGHT.

New Orleans, Nov. 10.—A government is not yet complete that withholds from its most enlightened women what it freely gives its most enlightened men. This quotation from the *South Atlantic* is plastered on the boards of blank walls, in all the parlors, in all the windows and on buttons, and is being thrown on the screens of all the moving picture shows in New Orleans today. The occasion is the opening of the Louisiana equal suffrage convention and a conference of southern women in the interest of the suffrage movement.

Thomas Jefferson's prestige is pinnaled in the south so that the women decided to feature his view of the suffrage question. For various reasons the south up to the present time has lagged behind all other sections of the country in the battle for equal rights. The women of Louisiana have now taken the initiative in a vigorous campaign to secure the ballot rights that are enjoyed by their sisters in many states. Miss Kate M. Gordon, president of the state suffrage association, has been a power in many progressive movements and her influence is being exerted in a most determined way. She is supported by some of the most intelligent and influential women of the state, who hope to induce the legislature to allow Louisiana to be the first of the southern states to recognize the right of women to vote.

Tonight, if you feel dull and stupid, or bilious and constipated, take a dose of Chamberlain's Tablets and you will feel all right tomorrow. For sale by all dealers.—Adv.

OUCH! ACHING JOINTS, RUB RHEUMATIC PAIN AWAY

Rub Rheumatism away with a small trial bottle of penetrating old St. Jacobs Oil.

Rheumatism is "pain only."

Not one case in fifty requires internal treatment. Stop drugging! Rub soothing, penetrating "St. Jacobs Oil" directly upon the "tender spot" and relief comes instantly. "St. Jacobs Oil" is a harmless rheumatism cure which never disappoints and cannot burn the skin.

Limber up! Quit complaining! Get a small trial bottle of "St. Jacobs Oil" from any drug store and in just a moment you'll be free from rheumatic pain, soreness and stiffness. Don't suffer! Relief and a cure await you. "St. Jacobs Oil" is just as good for sciatica, neuralgia, lumbago, backache, sprains and swellings.—Adv.

Miss Josephine Baugh of South Main street has gone to her home in Mayier, Calhoun county, called there by the illness of her mother.

American Lady Corsets

Produce that willowy grace which fashion demands—you do not know the possibility of your figure if you have never worn one.

HARMON'S
Dry Goods Store

Notice to Poultry Raisers

We are now manufacturing, under state license, the best brand of chicken food on the market, known as "SUPREME CHICKEN FOOD." This food is far superior to any brand of chicken food on the market today. It is guaranteed under the Pure Food & Drugs Act, June 30, 1906, serial No. 47673. Guaranteed analysis as follows:

CRUDE FAT 6 to 8 per cent.
PROTEIN 22 to 24 per cent.
FIBRE 7 to 9 per cent.

WHAT IS "SUPREME CHICKEN FOOD?"

It is a combination food consisting of meat scrap, steamed bone grit and a small percentage of clam shell grit; all clean and in a uniform size, and can be fed to large and small fowls. "SUPREME CHICKEN FOOD" is guaranteed to make your hens lay. It is the only ideal food for fall and winter use. Put up in 50 and 100 pound bags.

Price per 50 pound bag \$1.50
Price per 100 pound bag \$3.00

We are also manufacturing, under state license, the best brand of hog food on the market, known as "SURE FATTEN HOG FOOD." It is far superior to any brand of hog food on the market today. It is guaranteed under the Pure Food and Drugs Act, June 30th, 1906, Serial No. 47673. Guaranteed analysis as follows:

CRUDE FAT 10 to 14 per cent.
CRUDE PROTEIN 52.50 to 60 per cent.
CRUDE FIBRE 1 to 3 per cent.
PHOSPHATE 10 to 12 per cent.

WHAT IS "SURE FATTEN HOG FOOD" TANKAGE?

It is a dark colored granular meal, made from meat residues, and it supplies the protein and phosphates necessary for compounding a balanced ration in most economical and palatable form.

It contains phosphates in proper proportion to insure strength of bone and frame work. In the corn belt bone development is a matter of serious consideration.

It is not a substitute for corn, but a small quantity fed in connection with corn or other grains gives a balanced ration.

It is the most economical source of digestible protein known, containing twice as much protein as oil-meal and five times as much as middlings, shorts, shipstuffs, or alfalfa meal.

TANKAGE is recommended by all leading experiment stations. It is packed in one-hundred-pound burlap sacks, plainly marked "SURE FATTEN HOG FOOD." Analysis as above. It is the ideal feed to balance rations.

WHAT "SURE FATTEN HOG FOOD" TANKAGE DOES.

It develops bone and muscle in young pigs and makes them grow. It matures a hog for market in two and three months quicker than corn alone, thereby saving one-third of the feed bill, one-third of the labor, one-third of the risk, increasing profits one-third.

It grows better proportioned hogs, more meat, and more fat, hence market-topper hogs. "SURE FATTEN HOG FOOD" Tankage fed hogs ship well with small shrink. While in nowise a medicine, it so fortifies and strengthens the system against attacks of disease germs that "SURE FATTEN HOG FOOD" TANKAGE fed hogs are universally healthy. Manufactured by the

AT THE GRAND.

"Along Broadway," which was so well received in this city a few weeks ago, appeared at the Grand again Monday evening, opening a three nights' engagement. Will Stanton kept his audience laughing continuously by his comic portrayal of an incarcerated noble and he was supported by a good company. Miss Marguerite Calvert, violinist, and the Madison sisters, harmony singers, were given hearty applause and Sam Alburus gave a very creditable exhibition of fancy juggling. Altogether the show was one well worth the price of admission.

Y. M. C. A. BENEFIT.

"The Seminary Girls" an entertainment company of more than usual merit will appear at Northminster church next Friday night for a Y. M. C. A. benefit. There are musical numbers in variety and altogether the company is said to be exceptionally clever.

READ THIS

The Texas Wonder cures kidney and bladder trouble, removes gravel, cures diabetes, weak and lame backs, rheumatism and all irregularities of the kidneys and bladder in both men and women, regulates bladder troubles in children. If not sold by your druggist, will be sent by mail on receipt of \$1.00. One small bottle is two months' treatment and seldom fails to perfect a cure. Send for Illinois testimonials. Dr. W. E. Hall, 2925 Olive street, St. Louis, Mo. Sold by druggists.—Adv.

JOHN WOLKE AND MARY GORDON
ARE MARRIED IN MASON CITY, IA.

Ceremony Took Place Sunday, November 2—Will Reside in Mason City, Where Groom Has Position.

The many friends of John Wolke of this city and Miss Mary Gordon, of Merritt, will be surprised to learn of their wedding which took place Sunday, November 2, at Mason City, Ia.

The bride is a daughter of William Gordon of Merritt and is well known in this vicinity. The groom is a son of Mr. and Mrs. George Wolke of South Kosciusko street. They will reside in Mason City, Ia., where the groom has a position as foreman of the repair department of a large garage.

DO YOU KNOW HOW TO SAVE?

Make up your mind to save at least one coin every day, and you will be surprised how soon you will have money in the bank. Call at the Elliott State Bank for free coin container, which will help you to save.

A PROSPEROUS FIRM.
Among the Jacksonville young men who have made good in the far west is A. W. Wright, son of Mrs. Norah (Wm. Henry) Wright of this city and now living in Richmond, a suburb of San Francisco, California and quite prosperous in business. A recent issue of the Richmond Daily Independent says the mercury out there reached 94 degrees one day. It also says:

"William Berovich, who owns several cigar stores in Oakland and who is related to the wholesale cigar man of the same name in company with W. H. (Bud) Wright yesterday purchased the Smokerie at 710 Macdonald avenue from Cleek Brothers.

"It is the plan of the new owners to greatly improve the place and to add to the stock of goods. They will conduct the resort along metropolitan lines and expect to cater to the smokers who desire the best."

ASSISTING IN REVIVAL

A Champaign paper makes the following notice of a revival meeting there in which George Beekman of this county is assisting:

Evangelistic meetings at the First Baptist church have been gaining in attendance and interest. Wednesday night there was a full chorus under the leadership of G. S. Beekman of Jacksonville, a layman of great efficiency in conducting music for revival campaigns. A large number of children have volunteered for the children's chorus, but others will be welcomed this evening.

Dr. D. O. Hopkins, the pastor, is doing the preaching.

GIANTS WIN IN NINTH.

San Diego, Calif., Nov. 10.—A huge crowd saw the Chicago White Sox defeated 4 to 3 here today by the Giants. The game abounded in brilliant plays. Scott for the White Sox struck out nine men. Tris Speaker made a home run in the second inning. The Giants won in the last half of the ninth when Chief Meyers sent the ball over the right field fence for a home run.

Score.

Sox . . . 0 1 0 0 1 0 0 1—3 9 3
Giants 0 1 0 2 0 0 0 1—4 9 1
Scott and Bliss; Hearne and Meyers.

ANTI-SALOON LEAGUE MEETS.

Columbus, Ohio, Nov. 10.—A mighty army of foes of the liquor traffic, recruited from every section of the country invaded Columbus today for the biennial convention of the Anti-Saloon league of America. The sessions will continue three days and will be followed on Friday by a joint conference of representatives of practically all of the prohibition and temperance organizations of the country. At this conference plans will be laid for the most notable campaign ever undertaken in behalf of the movement for nation wide prohibition.

SALOON ROBBED.

Two masked men armed with revolvers, entered the saloon of J. S. McManus of Springfield, at 11:30 o'clock Saturday night, backed twelve customers and proprietor to the wall, failed in an attempt to blow the safe with nitro-glycerine, collected over \$400 in cash and valuables from the owner, his patrons and the mash register and then escaped.

"THE RELATION OF RELIGION
TO OUR GOVERNMENT"

Theme of Address at Northminster Church by Edward Thomson, LL. D., of the Atlanta, Ga., Bar.

"The Relation of Religion to Our Government" by Edward Thomson, LL. D., of Atlanta, Ga., was the theme of a learned but at the same time interesting address Monday evening at Northminster church. Mr. Thomson is international secretary of the Sunday League of America and is an able worker in the cause of increased Sabbath observance. The audience last evening at Northminster, though small, were treated to an interesting discussion from a new viewpoint of the question, "Is This a Christian Nation?" His address was first presented before the bar of Georgia and was prepared in pamphlet form and was sent to each voter in the state. Mr. Thomson maintained that our whole system of law, constitutional as well as statutory, is based on the assumption that the United States is a Christian nation.

Though the constitution itself does not contain the name of God, Christianity is the only religion known to American law. "Our marriage laws are based upon its teachings. Our usury laws are peculiarly Christian. We have no union of a church with our government, but we unite religion—the Christian religion—with the state."

Mr. Thomson will address the students of Illinois college this morning at the chapel here. At the Congregational church this evening he will speak again so that those who were not able to be out Monday may hear "Why We Observe Sunday as the Christian Sabbath."

CARNATIONS AND ROSES FREE TODAY AT HILLERBY'S. SAFEST PLACE TO TRADE. Special Demonstration of MADAME STANLEY'S TOILET ARTICLES. Today only. Be sure to come in.

AT THE GRAND.

Edison's talking motion pictures will be at the Grand Thursday and Friday and it is the crowning marvel of the limitless potentialities of is inadequate to describe and imagination itself is too feeble to comprehend the limitless potentialities of the speaking pictures and the revolution that it precedes and involves in human methods and human conditions in many directions.

Several charming playlets are shown, where the actors and actresses go through their several parts and talk just as if they were before the audience in flesh and blood. A complete minstrel show in two parts is given, and the end men tell their jokes, the soloists sing the latest songs and the dancers both fancy and clog, dance until one can hardly believe that they are looking at a motion picture production. Twelve pictures are shown, among which are included musical comedy, light opera, farce comedy, fairy plays and melodrama.

WORE SHOES 14 YEARS.

John G. Gouveia of North Diamond street is wearing a pair of shoes he purchased fourteen years ago. The shoes are of kangaroo leather of a quality which Mr. Gouveia says he is now unable to purchase. He wore them as a dress shoe until last summer when he took them for his regular work as anitor of Northminster church. Mr. Gouveia has had much experience with various leathers and their care, being employed for many years in the hide house of Evans and Son which was located a number of years ago on the south side of the square and later on South Sandy street. The cost of the shoes was \$5 to which must be added the price of three pairs of half soles and heels he has worn out in the long time he has been wearing the shoes.

POLISHING AN AUTO.

A certain doctor of the city is one dollar out of pocket as a result of an experience with a boy who wanted to polish an automobile. The doctor, knowing that the metal parts of his machine were in need of brushing, supplied the boy with polish and showed the way to his garage. Assuming the physician that the car was in good shape the boy was in due time paid his stipulated half dollar and allowed to depart. When he went to use the car a few days later the doctor found the polish spread in liberal quantities over the body of his car and no sign of it on the metal work. He paid a man 50 cents to undo the work and then turned in and did the job himself.

WEST STATE STREET FIRE.

About 7 o'clock Sunday night some one in passing the residence of Alden Brown on West State street noticed that the roof was on fire and failing to make anyone answer a ring at the door ran to the home of Dr. Milligan nearby. L. O. Vaught who was there ran across and made his way to the roof, securing a bucket of water as he went. Dr. Milligan followed shortly afterward with a Babcock extinguisher and together they soon put out the fire. Timely discovery and prompt action prevented a disastrous fire for the flames had a good start and the wind was blowing a gale.

HEATING SYSTEM EXPERT CONCLUDES PRELIMINARY PLANS

Charles A. Gillham of Chicago Makes Estimates For Railway & Light Co.—May Begin Installation in Spring.

The Jacksonville Railway & Light Co. is planning to install a heating system in the business section of the city and in as much of the residence district as practicable, the work to begin next spring providing they secure a franchise. To this end the company employed an expert of the American District Steam Co., Charles A. Gillham of Chicago, who spent Thursday, Friday and Saturday surveying the outlook in Jacksonville. The mains will extend around the square, on West Morgan street at least as far as West, on East State street to Church and on East State street to Clay avenue. This is understood as a minimum route which will be extended according to demand. The danger in putting in a heating system, Mr. Gillham states, is in failure to provide for a large enough future demand as customers usually increase faster than the facilities for supply. A number of other cities in which the Illinois Traction System is operating, have central plants. The list includes, Champaign, Springfield, Decatur, Peoria and Galesburg.

The rate will be \$1 per thousand feet of condensation down to 60 cents according to the quantity used. Meters on the order of watermeters will gauge the quantity of steam condensed and facilities will be provided for turning off the heat from the building as a whole as well as from single rooms. Supt. W. B. Miser, in speaking about the rate, said the company was enabled to furnish a lower rate because they are already equipped to furnish much of the heat supply without additional expense. There is a good deal of waste steam at present utilized, which could just as well be used in the heating of the city's office and store buildings.

"TANGO" THE NEWEST FOUR-IN-HAND IS HERE.

SOCIAL EVENTS.

An elaborate reception was given at the Illinois Woman's college Monday afternoon by Mrs. Joseph R. Harker, Mrs. Albert Metcalf, Miss Neville with members of the faculty, in honor of Miss Amy Mothershead, the new dean of the school. The hours were from 3 to 5 and the guest list included over four hundred. The spacious reception hall was decorated in beautiful pink roses, the hall in pink chrysanthemums and ferns. In the receiving line were Mrs. Harker, Mrs. Metcalf, Miss Neville and Miss Mothershead.

Elegant refreshments were served in the Belle Lettres and Phi Nu literary halls, the former room being decorated in yellow roses and candles and the latter in pink roses and candles. There was a large center table which was decorated by a basket of roses. The serving was done by a number of the college girls.

While the refreshments were being served a musical program was given as follows:

Vocal duet—Misses Nina Slaten and Helen Jones.

Vocal solos—Misses Mildred Sheffer, Bonnie Deery, Louise Hughes, Ima Berryman, Helen Jones.

Quartet selection—Misses Freida Fenton, Ima Berryman, Nina Slaten and Helen Jones.

Violin solo—Miss Helen Harrison. Those who assisted the hostesses were Mrs. T. J. Pinner, Mrs. E. C. Lambert, Mrs. E. C. Carpenter, Mrs. Fred H. Rowe, Mrs. T. H. Buckthorpe, Mrs. W. A. Gore, Mrs. Geo. E. Matthews, Mrs. Isaac Powers, Mrs. E. L. Kinney, Mrs. Charles Ehle, Mrs. Baldwin, Mrs. H. L. Griswold, Mrs. F. A. McCarty, Mrs. J. K. C. Pierson, Mrs. Lloyd Brown, Mrs. William G. Goebel, Mrs. O. F. Bufile, Mrs. Thomas Hopper, and Miss Nell Taylor of New Berlin.

After the reception the hostesses, the assistants and Miss Mothershead enjoyed a 6 o'clock dinner and the entire reception was one of unusual pleasure.

Mrs. William Cogswell will entertain a circle of the I. W. C. Guild at her home on East College avenue this afternoon at 3 o'clock. The ladies of the third ward are especially invited to be present.

A box supper was held recently at the Oak Dale school, taught by Miss Rena Schackell. The married ladies gave a little play entitled "How a Little Story Grew, or the Village Gossip." The play was a big success and at its close the boxes were auctioned off by George Armstrong, the bidding being spirited. The two single boxes which brought the highest prices were those of Miss Schackell, \$5.35, and that of Miss Cecilia Sperry, \$44.50. The highest double box sold for \$5.00, and in all \$44.50 was realized. The inclemency of the weather kept many from

coming but all had a good social evening.

Mrs. Alice Kumble was given a very pleasant surprise Sunday evening at her home in Alexander by about twenty-five of her friends, the occasion being her birthday. They brought with them well filled baskets and an elaborate oyster supper was served. A large birthday cake with the proper number of candles on it had a place on the table. After supper a very delightful evening was spent.

The Philathea circle of Central Christian church spent a pleasant evening Monday at the home of Misses Dora and Mary Conlee of East College street. A number of games were played in which prizes were won by Mrs. Nellie Sibley and Miss Iva Dobson. A dainty two-course luncheon was served after the awarding of the prizes. The hostesses were Miss Linnie Blevins, Mrs. Edna Roberts, Miss Cecil Funk, Miss Minnie Harney and Miss Dora Conlee. Twenty-two young ladies of the circle were present.

Elmer Fossett of South East street was given a very pleasant surprise party Monday evening the occasion being his thirty-sixth birthday. A very delightful evening was spent and refreshments were served.

Miss Louise Othling was given a surprise party Monday evening at the home of her sister, Mrs. E. New, on East Greenwood avenue, by about twenty-five of her friends. The evening was very pleasantly spent with games and prizes were awarded to Miss Irene Lonergan, Miss Clara Lewis, Charles Devlin and Patrick Lonergan. During the hours refreshments were served.

"The Indiana Club," composed of young ladies who are attending the Woman's college, from Indiana, enjoyed a waffle breakfast at the Peacock Inn, Monday morning. Some toasts were also given and the event was greatly enjoyed.

LABOR FEDERATION ENTERS IMPORTANT BUSINESS MEETING

Creation of New Standing Committees on Ways and Means and Shorter Work Day Authorized.
Seattle, Wash., Nov. 10.—The American Federation of labor which spent the morning in listening to welcoming addresses and then gave an hour to a street parade entered upon the important business of the meeting before the afternoon session closed. The creation of new standing committees of ways and means, a shorter work day, amendments to state constitutions, an American Federation of labor office building, international relations and federation departments were authorized. Membership of all the standing committees were announced. The report of the executive council was segregated and referred to various committees.

MORTUARY

Lemen.

Dr. Edward C. Lemen died at Maplewood sanitarium Sunday morning at 3 o'clock. The deceased was a prominent resident of Alton. The remains were taken to the Reynolds undertaking establishment and were taken to Alton Sunday morning at 1:25 o'clock via the Chicago & Alton, accompanied by his son and daughter. Funeral services will be held there today.

Hamilton.

Funeral services for Mrs. James Hamilton were held Monday afternoon at 2:30 o'clock at the residence of her daughter, Mrs. E. G. Caldwell, 658 South Diamond street, in the presence of a large number of relatives and friends. The services were conducted by Rev. G. W. Flagg, pastor of Centenary M. E. church, assisted by Rev. Clyde Barsie. Music was furnished by a quartet composed of Miss Ransom, Miss Larimore, Albert Metcalf and W. W. Gillham, and the flowers were cared for by Mrs. Austin Smith, Miss Lora Lewis, Frank Caldwell and Clark Caldwell.

Interment was made in Jacksonville cemetery and the bearers were John Hamilton, Charles Hamilton, Harry Hamilton, George Lewis, E. G. Caldwell and James File.

Scott.

Mrs. Joseph Scott, aged 25 years, died Monday afternoon at 4:20 o'clock at her home two miles south-west of Arcadia.

Mrs. Scott, whose maiden name was Josephine Mayes, was a daughter of J. J. and Harriet Mayes and was born in Tennessee. She is survived by her husband, her parents three children: Alta May, Ray, and Erma Marie Scott; and the following brothers and sisters: Mrs. Amanda Davis, Mrs. Louisa Lacy and Mrs. Cora Boatman, all of Arcadia, Mrs. Arvilla Kinnett of Alexander, Mrs. Angelina Stevens of Beardstown, Mrs. Nannie Troves of Woodson, Mary Mayes and Holey Mayes, both at home in Tennessee. Mr. and Mrs. Scott were married in Morgan county seven years ago. The deceased was a member of the Union M. E. church. Funeral services will be held Wednesday morning at 10 o'clock at the Arcadia church and interment will be made in Arcadia.

Mrs. Laura Lyons, wife of John H. Lyons of 768 East College avenue, died this (Tuesday) morning at 12:10 o'clock at Our Savior's hospital, where she underwent an operation last Thursday. Mrs. Lyons is survived by her husband and four children, Harry, Robert, Mabel and Winifred, all of this city. She was born 47 years ago in Franklin precinct where she resided until about fourteen years ago. A more extended notice and the arrangements for the funeral will appear later.

"TANGO" THE NEWEST FOUR-IN-HAND IS HERE.

FUNERALS

Taylor.

The funeral of Mrs. Edward P. Taylor was held from the Christian church in Concord Monday afternoon at 1:30 o'clock, the pastor of the Christian church in Chapin officiating. Music was furnished by the church choir and the flowers were in charge of Mrs. Edward Morrison and Miss Hattie Taylor. Burial was made in the Concord cemetery and the bearers were Messrs. George Brown, William Brockhouse, Howard Zahn, Arthur Hamm, Edward Morrison and Charles Rexroat.

A party of twelve young people enjoyed the fine winter weather Sunday by taking an all afternoon walk east of the city. They ended their trip at Arnold and returned via the Wabash.

Mr. and Mrs. Louis Caldwell, who live immediately west of the city, had as Sunday visitors, Mr. and Mrs. Walter Patterson, Mr. and Mrs. Bertram Elmgott, Misses Lillian White, Vivian Smith, Stella Hailey and Anna Pike.

YOUTH KILLED BY AUTO.
Chicago, Nov. 10.—David Feinstein, 8 years old, was killed today by an automobile driven by Mrs. Albert Tarney, wife of the president of the Three-Eye league. Mrs. Tarney believed the boy only slightly injured and drove to the home of his mother to tell her of the accident. She was prostrated when told of his death.
